

## THE SEQUEL TO THE BOOK OF DEAD DAYS

Boy has survived the terrors of life with the magician Valerian, dark magic and deadly chases through gloomy catacombs and death-fields, but he is still on the run.

Now as the City lies frozen in the icy claws of winter, he is captured by the Imperial Guard and incarcerated in the Emperor Frederick's palace. Boy is transported to a world of gilded finery, untold splendour and wealth beyond his wildest imagining. But beneath its golden veneer, this world is just as full of madness and cruelty, of desperation, closely guarded secrets and terrifying revelations.

In a mesmerising conclusion to their enthralling story,

Boy and Willow are plunged into the heart of it all – the whirlwind furies of the Emperor, the cold ambition of his confidante, Maxim, the tricks and guile of necromancers and sorcerers, the trails of blood that will

lead to the grisly Phantom and, holding all their lives between its pages, the book waits, malevolent and demonic, to deceive its next reader.
