The Dark Lady Louis Auchincloss,1977 **The Dark Lady** Máire Claremont,2013-02-05 The Victorian era was full of majestic beauty and scandalous secrets a time when corsets were the least of a woman s restrictions and men could kill or be killed in the name of honor Lord Ian Blake has returned from India a broken man Years ago he pledged to Lady Eva Carin his childhood companion and first love that he would bring her husband back alive His failure haunts him But even his jaded soul can t anticipate the shocking sight of beautiful independent Eva confined in a madhouse Locked in an asylum forgotten by society Eva is adrift in both body and mind For Ian to break her free they must cross a powerful enemy and prove her sanity to England s unforgiving aristocracy But the biggest danger of all may come when the secrets of Eva s tragic past are finally unlocked

The Dark Lady John Francis Alexander Heath-Stubbs,1951 *Dark Lady* Richard North Patterson,2013-01-16 In *Dark Lady* Richard North Patterson displays the mastery of setting psychology and story that makes him unique among writers of suspense and one of today s most original and enthralling novelists In Steelton a struggling Midwestern city on the cusp of an economic turnaround two prominent men are found dead within days of each other One is Tommy Fielding a senior officer of the company building a new baseball stadium the city s hope for the future The other is Jack Novak the local drug dealers attorney of choice Fielding s death with a prostitute from an overdose of heroin seems accidental Novak is apparently the victim of a ritual murder But in each case the character of the dead man seems contradicted by the particulars of his death Coincidence or connection The question falls to Assistant County Prosecutor Stella Marz Despite a traumatic breach with her alcoholic and embittered father she has risen from a working class background to become head of the prosecutor s homicide unit A driven woman she is called the Dark Lady by defense lawyers for her relentless sometimes ruthless style in seven years only one case has gotten away from her and only because the defendant took his own life She has earned every inch of both her official and her off the record titles and recently she s decided to go after another to become the first woman elected Prosecutor of Erie County But that

was before the brutal murder of her ex lover Jack Novak Novak's death leads her into a labyrinth where her personal and professional lives become dangerously intertwined There is the possibility that Novak fixed drug cases for the city's crime lord Vincent Moro with the help of law enforcement personnel and perhaps with someone in Stella's own office the bitter mayoral race which threatens to undermine her own ambitions her attraction to a colleague who may not be what he seems the lingering complicated effects of her painful affair with Novak the growing certainty that she is being watched and followed Making her way through a maze of corruption deceit and greed trusting no one Stella comes to believe that the search for the truth involves the bleak history of Steelton itself a history that now endangers her future and perhaps her life For his uncanny dialogue subtle delineation of character and hypnotic narrative critics have compared Richard North Patterson to John O'Hara and Dashiell Hammett Now in the character of the Dark Lady he has created a woman as fascinating as her world is haunting Dark Lady is his signature work
