The Days Of Noah:

As it was in the Days of Noah Manie Du Preez,2011-02-28 Doom gloom tribulation apocalypse Armageddon 2012 plaques earthquakes wars rumours of wars these have all become synonymous with what we call the end times Is this really the end that the creator of heaven and earth had in mind when He created all things Did He fail in His original plan Has He lost his grip on creation Is He still in control How did He plan to end what He started Will there be a rapture Will there be great tribulation Will it end in war and ruins Or does the God of the universe have a far greater plan than most men anticipate Let us travel back in time to the days of Noah and get some insight into God s plans for creation As He said But as THE DAYS OF NOAH were so also will the coming of the Son of Man be **As It Was in the Days of Noah** Jeff Kinley,2022-11-01 As it was in the days of Noah so it will be at the coming of the Son of Man Matthew 24 37 Noah s story is remembered as a Sunday school lesson taught with felt board animals yet the Bible paints a darker picture one in which earth s people grew so wicked God had to destroy them in a global flood Millenia later Jesus prophesied the same widespread spiritual rebellion would mark the days leading into the end times From bestselling prophecy author Jeff Kinley *As It Was in the Days of Noah* reveals the parallels between the time before flood and our current culture highlighting the rise in evil the surge in immorality and the pandemic of godlessness This book examines the signs that the end times are rapidly drawing nearer affirms the urgency of reaching the lost with God s compassionate truth equips believers to live wisely making their days count for eternity *As It Was in the Days of Noah* illuminates the biblical evidence that God s judgment is imminent and reveals how Noah s story provides a deep reservoir of hope for all who follow Christ **The Days of Noah: Understanding the Fulfillment of Last Days Prophecies** Ayo Akerele,2015-07 At no other time in history has humanity moved so close to eternity The signs of the end time are getting clearer on the walls of our streets and nations yet it still does not appear as if the bride of Christ is fully prepared to receive her Groom Satan has unleashed on humanity an unimaginable avalanche of evils many of which will still be dwarfed by those that are coming in the days ahead Many of the signs that exemplified the generation of Noah are now playing out in our generation as a script In the days of Noah many celebrated wine and dined but ended up as victims of a mighty holocaust In our present generation many are getting married and being given in marriage Most are feasting wine and dining while very few are fasting The memory of eternity and the imminent arrival of the Master has been completely obliterated from the minds of most believers So many Christians and their Christian leaders are completely oblivious of the imminent arrival of the Master and the perils of the evil days that will follow We are now living in the twenty first century days of Noah For as it was in the days of Noah so shall it be also in the days of the Son of man Ayo Akerele holds a doctorate degree in human resource management and worked extensively in the corporate world in Africa Europe and North America for many years before answering the call to ministry By the wisdom of God he has founded the Trailblazers Global brand with offices in Nigeria the United Kingdom and Canada with ongoing initiatives for expansion into all the major continents of the

world Ayo Akerele is a sought after intercessor dynamic writer public speaker and anointed teacher of the word His itinerant prayer teaching and speaking ministry under different Christian organizations has lasted for many years since he met the Lord in the early 1980s and has been of immense blessing to many people around the world Noted for his particular insight into the supernatural works of Jesus in the four Gospels of the New Testament he carries by the grace of God a contagious passion for knowledge and truth in the word of God that has positioned him as a foremost author and teacher in this generation His deepest desire is to see the body of Christ take its proper position in God by modelling the works and exemplary life of Christ through the teaching of the undiluted word of God the demonstration of valid and authentic signs and wonders and above all the preaching of the gospel across all nations as the curtain is being drawn for the return of our Lord Jesus Christ He is the founder of Voice of the Watchmen Ministries in Toronto Canada with book publication teaching and prophetic outreaches around the world Ayo Akerele is married to Omolara Olawunmi Akerele and they are blessed with two great sons Enoch and John

Days of Noah C S DeCaro,2021-10-30 We are indeed living in days described by Jesus as like the Days of Noah Jesus said it would be like this prior to His coming The pages of end time Bible prophecy are unfolding right before our eyes today Most people realize something isn t quite right and are looking for answers The pandemic chaos division and mandates that jeopardize your livelihood and limit where you can buy and sell the strange way the world s political leaders have decided to respond What s really going on Where is all of this leading Is the Church asleep If you want to know what s going on today the Days of Noah provide the answers Most people don t realize that we are currently living in a prophetic moment that the Bible describes in great detail As we walk through some very powerful and prophetic passages that were written for the precise moment in time in which we are presently living now I hope that it will build your faith more in the authority of the scriptures and light a fire under you to

overcome fear in order to be used by God in ways you may not thought you were capable of It s time for the Church to lift our voices unto heaven and take action in solidarity to overcome the evil of our day You were created for this moment in time right now to be used by God He chose you This Is A Book You Will Want To Share With Your Pastor Family And Friends

From the Days of Noah Joshua Wholesomer,2022-03 Whenever I read chapters 5 to 7 in the book Genesis in the Bible I was confused that God judged human beings by the flood My eyes always stopped at the verse 5 of chapter 6 The intention of man s heart was evil from childhood they thought evil at all times imaging evil from morning to night My version Is that the main reason I have tried to find out what evil they always thought and imagined violence raping murdering lying deceiving or something terrible This novel is like a journey to find out the most wicked thing to the eyes of the Lord When I wrote more stories I realized that people grew more wicked than before as cities were bigger and civilization flourished more Finally I found out one important thing that the Lord could not help but punish the entire earth by flooding even though he really loved the world so much Fortunately Noah was different found favor in the eyes of the Lord who is our ancestor Jesus says As it was in the days of Noah so it will be at the coming of the Son of Man Mat thew 24 37 NIV I have wondered how people in the days of Noah lived Inspired when I pictured what the most wicked thing was how it started to rain for the first time how a gopher wood ship was coated with pitch and what fruit the Tree of Life looked like I decided to write this novel It starts with a story of the day when Noah was born and then three innocent brothers were tragically murdered at the Maadan of Light
