The Days Of The Generals:

Days of the Generals Hilton Hamann, 2001 An explosive behind the scenes story from the South African Generals themselves about covert operations strategic alliances and full scale war *Days of the Generals* Hilton Hamann, 2012-03-30 What really happened during South Africa's military involvement in Angola Did the military leaders always see eye to eye with the politicians and with each other Was South Africa responsible for the death of Mozambican President Samora Machel What was the extent of South Africa's nuclear programme How did South Africa's military machine deal with the end of apartheid Based on interviews with the former generals of the South African Defence Force *Days of the Generals* addresses these and many other fascinating questions The book looks in detail at South Africa's intervention in Angola Namibia and Mozambique It examines the armed struggle of the ANC and the state's war against the liberation movements It investigates chemical and biological warfare the third force and other top secret issues For the first time the generals Magnus Malan Constand Viljoen Jannie Geldenhuys Georg Meiring Hein du Toit and Chris Thirion have opened up and given their account of events in southern Africa from the 1970s to the present Theirs is an explosive story giving behind the scenes information about covert operations secret meetings strategic alliances and full scale war This is essential reading for anyone interested in southern African politics and military history The author Hilton Hamann entered the South African Defence Force as a conscript in 1975 and was stationed in Angola He subsequently became the Sunday Times's military correspondent and wrote for a number of well known international magazines and newspapers such as *Soldier of Fortune* In this role he travelled extensively with the SADF often accompanying them into battle He currently runs a news syndication company

The Day Sharpsburg Died J.T. Ellis, 2013-06-29 Frederick Lawton was an educated man from Sharpsburg Maryland who only wanted to do the right thing for his country by joining the Union forces and fighting the menacing southern states who wanted to tear his country apart Louise Pentigrass was a beautiful woman who only wanted Frederick as her husband after their paths once again crossed prior to Frederick shipping out for the 2nd Maryland Infantry Join them for the emotional rollercoaster ride leading up to the battle of Antietam live in the year of 1862 in the mist of the American Civil War

The Day After Gettysburg Robert Conroy, J. R. Dunn, 2017-06-06 *New Alternate History* from a Master of the Form Robert Conroy was an unalloyed master of alternate history Now J R Dunn completes one of his final novels *LEE STRIKES BACK* After a terrible setback at Gettysburg General Robert E Lee does not retreat across the Potomac and his ultimate surrender at Appomattox Instead he turns the tables on Union General George Meade with a vicious counterattack that sets the Union Army on its heels While Lee sets across Pennsylvania in a dazzling war of maneuver a crazed actor closes in on President Abraham Lincoln Standing in his way is Major Steve Thorne a thoughtful lawyer turned soldier fighting for the Union and his own self respect and Cassandra Baird a young woman whose courage is only surpassed by her determination to teach emancipated slaves to read and write and so ensure their freedom Opposing them is Colonel Corey Wade a brave

Confederate officer who is just as determined to fight to the death for his honor and that of his state And in the end the fate of a nation may come down to a freed slave named Hadrian a man with an iron resolve never to return to bondage The time has come to strike a blow for liberty or go down swinging At the publisher s request this title is sold without DRM Digital Rights Management About Germanica Conroy captures the intricacies of WWII with an eye for historical nuance and he crafts a believable alternate ending to the war T he story is buoyed by Conroy s effective snapshot of the era Publishers Weekly A gripping alternate World War II saga Library Journal About Rising Sun Conroy extrapolates a new and militarily plausible direction for WWII A thrilling adventure Booklist About Himmler s War Conroy adds a personal touch to alternate history by describing events through the eyes of fictional characters serving on the front lines VERDICT Historical accuracy in the midst of creative speculation makes this piece of alternate history believable Library Journal

Many Great War histories tell the reader what happened on the Western front but few spell out why In this book the author looks at the battles through the eyes of the generals who were charged with winning them and examines the accusations that have surrounded them for over 70 years The tragedy of the death toll on the Western Front gives weight to the argument against them but what were the near unsurmountable problems that stood between the generals and final victory How much of what the general public believes about the First World War is really true This book aims to illuminate the bitter
