An Oration on Messiah's Kingdom and Descant on Time and Immortality Roswell Rice, 1874

The Irony of Power Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew s version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew s narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God s eye reading of Matthew s narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew s narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives

Astrology Roger B. Culver, Philip A. Ianna, 1988-09 Contemporary astrologers claim that their

craft is scientifically based and rationally consistent and above all that astrology works a belief shared by millions of Americans including highly visible political and media personalities As a result the practice of consulting the stars for advice has never been more popular or more dangerous Professional astronomers Roger B Culver and Philip A Ianna have produced a highly readable and well referenced response to the claims of astrologers This book points out the glaring inconsistencies associated with the basic concepts of modern astrology from the zodiac itself to the fabled Age of Aquarius Tracing humanity s historical fascination with the heavens that produced the celestial twins of astronomy and astrology the authors leave little doubt concerning the difference between astronomical science and astrological art form Astrology True or False offers a complete and extensive summary of available evidence on astrology s basic definitions concepts and effectiveness The authors research revealed thousands of predictions gone bust from the start of World War III to claims about the existence of an anti Earth orbiting on the other side of the sun They studied the famous twenty year cycle of presidential death and disaster the moon cycles of crime and murder in major cities and the incidences of major personality traits in certain sun signs Their conclusions while disappointing to the determined believer in astrology are nevertheless refreshingly rational

Nisei Resistance and Resilience V. L. Purvis-Smith, 2021-07-30 Teenage Allen Maruyama internalized the hostility directed at Japanese Japanese Americans subsequent to the Pearl Harbor attack He says he learned to hate himself and felt subhuman but Presbyterians in his home state of Colorado befriended him He proved himself as a student athlete and US Army Buck Sergeant He graduated from McCormick Theological Seminary MA Christian education and MDiv His MTS is from Dubuque Seminary Only when he earned a PhD in theology from the Aquinas Institute of Philosophy and Theology did he feel emancipated no longer suffering from shame while living and working as a Japanese American in white majority culture Allen s Nisei second generation experiences and his issho kenmei personality all in full throttle nonstop propelled him into centers of change and controversy in fields as diverse as social justice theology and cultural and church history Dr Allen Maruyama is the first Asian American to stand for the position of moderator of the General Assembly of the Presbyterian Church USA
