The Death Of A Nation:

Death of a Nation Joseph L. Kyle, 2015-04-28 This book presents some very raw facts about the negative aspects of racism and the devastating effects it has on individuals municipalities States the Nation and indeed the world It covers a ten year period in the authors life presented autobiographically from 1940 to 1950 The story is based primarily on historical events as reported in the ex Black weekly newspaper The Pittsburgh Courier The news articles are presented as parts of fictionalized dialogue between the author his young peers and older adult advisors Most of the fictionalized accounts have some bases in truth but some did not occur in the sequence or to individuals as presented Names of individuals reported in news media have not been changed nor have the names of family members and teachers Names of townspeople have been changed although a real person existed for that character The primary goal of the book is to present true facts about the history of the disease based on a false premise of race that has caused so much suffering ignorance and despair over centuries in the hope that we will stop perpetuating it and let it die the ignoble death it deserves *The Mystifications of a Nation* Vladimír
