The Defeat In The Victory:

Defeat Into Victory William Slim, 2012-12-13 Field Marshal William Slim stands alongside Montgomery as the outstanding British field commander of World War II. *Defeat Into Victory* is his classic account of the Burma campaign, a story of retreat, attrition, and final hard-fought victory over the Japanese. Told by a commander always at the centre of events, this is a narrative which captures both the high drama and the harsh reality of war.

William McKinley and His America Howard Wayne Morgan, 2003 In 1896 McKinley swept away all rivals to win the presidential nomination on the first ballot. Faced in the general election by the well-respected and highly-touted orator William Jennings Bryan, Republicans adopted their Front Porch Campaign. Thousands of citizens from across the country were brought to McKinley's home in Canton for a handshake and a few words. Hanna arranged for this \$5 million campaign to be paid for by big business, with oil baron John D. Rockefeller writing the largest check. McKinley's military service and his support among veterans were significant factors in his campaign. He became the first presidential candidate in a generation to win a majority of the popular vote. This extensively revised and expanded edition of H. Wayne Morgan's *William McKinley and His America* will be an important resource for historians and scholars.
