Women Constructing Men Sarah S. G. Frantz, Katharina Rennhak, 2009-12-03 Female novelists have always invested as much narrative energy in constructing their male characters heroes and villains as in envisioning their female protagonists but this fact has received very little scholarly attention to date In *Women Constructing Men* scholars from Australia Canada Germany Great Britain and the United States begin to sketch the outline of a new literary history of women writing men in the English speaking world from the eighteenth century until today By rediscovering forgotten texts rereading novels by high canonical female authors refocusing the interest in well known novels and analyzing contemporary narrative constructions of masculinity the contributing scholars demonstrate that female authors create male characters every bit as complex as their male counterparts Using a variety of theoretical models and coming to an equal variety of conclusions the essays collected in *Women Constructing Men* skilfully demonstrate that the topic of female authored masculinities not only allows scholars to re read and re discover almost every novel ever written by a woman writer but also triggers reflections on

a host of theoretical questions of gender and genre In re examining these male characters across literary history these articles extend the feminist question of Who has the authority to create a female character to Who has the authority to create any character

Cinematography of Carl Theodor Dreyer Paul Matthew St. Pierre, 2018-11-19 Legendary Danish filmmaker Carl Theodor Dreyer 3 February 1889 20 March 1968 was born in Copenhagen to a single mother Josefine Bernhardine Nilsson a Swede His Danish father Jens Christian Torp a married farmer employed Nilsson as a housekeeper After spending his first two years in orphanages Dreyer was adopted by Carl Theodor Dreyer a typographer and his wife Inger Marie Dreyer He was given his adoptive father s name At age 16 he renounced his adoptive parents and worked his way into the film industry as a journalist title card writer screenwriter and director Throughout his career he concealed his birth name and the details of his upbringing and his adult private life which included a period in which he explored his homosexual orientation and endured a nervous breakdown Despite his relatively small output of fourteen feature films and seven documentary short films 1919 64 he is considered one of the greatest filmmakers in history because of the diversity of his subjects themes techniques and styles and the originality of the bold visual grammar he mastered In Cinematography of Carl Theodor Dreyer Performative Camerawork Transgressing the Frame I argue 1 that Dreyer an anonymous orphan an unsourced subject manufactured his individuality through filmmaking self identifying by shrouding himself in the skin of film and 2 that as a screenwriter director who blocked entire feature films in his imagination in advance sets lighting photography shot breakdowns editing and imposed his vision on camera operators lighting directors actors and crews in production he saw filmmaking essentially as camerawork and he directed in the style of a performative cinematographer

Over the Edge Suzanne Brockmann, 2001-09-01 Suzanne Brockmann has taken romantic suspense by storm with her action packed thrillers Now she has written the most gripping novel of her career an unforgettable story of an explosive hostage situation in which two people are caught between the call of duty and the lure of destiny Her passion is flying As one of the best helicopter pilots in the naval reserves Lieutenant Teri Howe is strong dedicated and highly skilled until a past mistake surfaces jeopardizing everything she s worked for Rock steady Senior Chief Stan Wolchonok has made a career of tackling difficult challenges So it s no surprise when he comes to Teri s aid knowing that his personal code of honor and perhaps his heart will be at risk But when a jet carrying an American senator s daughter is hijacked Stan s unflinching determination and Teri s steadfast courage are put to the ultimate test The rescue mission will be daring and dangerous But somewhere between peril and resolution the line between friends and lovers begins to blur pushing both their lives over the edge
