*Diary of a Deity - The Burning* Loryn Moore,2021-11-05 My name is Bekka and my life used to be simple Sure I was a goddess and a princess but I had that figured out Or at least I did until I came into my powers and Arrick the dangerously sexy heir of my family s greatest enemy kidnapped me Things got complicated after that Arrick s home realm of Moldize faced imminent destruction and my newfound powers were destined to save them But how could I trust them Exiled from the peaceful Twelve Realms over 900 years ago Moldize was filled with malevolent deities and villainous men Forced into this brutal world I felt conflicted On the one hand I wanted to stand against my family s enemy but on the other I felt drawn to my destiny like a moth to a flame I needed to decide my next move quickly because time was running out My powerful grandfather was searching for me and I knew that once he caught up with the gods who kidnapped me there would be no stopping his thirst for vengeance That left me with a crucial question Could I save them all before he found me And even more important Did I want to

G. James Royce,2005-02-01 In this uniquely spiritual work of science fiction author G James Royce reveals the motivation for Deos to create our universe initiate organic life and shape the evolution of the human race

*Diary of a Deity - The Rising* Loryn Moore,2021-12-14 A lot had happened since Arrick kidnapped me my grandfather was dead the Peacekeeper s mantle he d held for over 900 years abandoned and it was all my fault Without Gabryel to stop them the Nefarals plotted against us and my sister Remi was at the epicenter of their uprising As the last creation deity left in the Twelve Realms I needed to claim my seat as the new Peacekeeper and stop the coming war before it started But I was stranded in Moldize trapped by the very security measures meant to protect us To overcome them I needed Remi s help after all her position as the Bicaidian princess gave her power and with it the ability to send me home It would be dangerous but I knew that I had to do whatever it took and so did she We would pay whatever price we had to so that I could keep the Twelve Realms from ripping themselves apart Only we never could have imagined how steep that price would be

Japan's Sexual Gods Stephen Turnbull,2015-05-19 Japan s Sexual Gods is an authoritative and original work that describes the unique deities represented by sexual objects in certain Japanese shrines and temples Hundreds of sexual shrines still exist in spite of previous repression and range from the Tagata Shrine with its well known giant festival phallus to small obscure places Many also contain female sexual imagery and some phalluses act in a protective role The study is based on observations of over 500 sexual sites including phallic festivals many of which are modern inventions created purely for commercial reasons The study makes an assessment of the place of sexual beliefs in modern Japan and includes almost 300 stunning original photographs a glossary and a highly detailed map

*Diary of a Deity - The Darkening* Loryn Moore,2024-09-30 How did this happen Everything went so wrong on that final day in Bicaidian hell Though I sacrificed my freedom to save Bekka and our allies I couldn t unshackle them from our enemies Now we re trapped Bekka and the others in Bicaidian prison and me as Madwyn s lapdog It s been months and Madwyn has conquered five of the Twelve Realms thanks to me Every time I kill for her the

darkness inside me grows And Bekka s magic a secret I d die to keep is a raging beast beneath my skin begging to break free But things are changing and the tide may finally turn in our favor Ellarah is conscious and has started remembering what happened to her on inauguration night Caden and Deklan s dormant magic has awakened and Emorie is placed into a cell with Bekka They find new alliances and they begin to plot their escape But when Madwyn threatens my family in Moldize Bekka and Remi must convince Valeria to negotiate peace with her But peace is the furthest thing from Madwyn s mind which means Bekka and Remi must break free from their prison before there are no realms left to save With Madwyn s leash around my neck I can t help them and without their magic or godly strength they re as likely to die fighting their way out as they are to succeed The trouble is I know my soulfused mate and she d rather die with free air in her lungs than spend the rest of her life in a cage
