## **The Diaspora Story:**

**The Diaspora Story** Jean Comay, 1981      The Diaspora Story Joan Comay, 1999      **The Diaspora Story**, 1999      The Yahwist John Van Seters, 2013-10-21 This book on the Yahwist comes at the end of a long career of research on the Pentateuch in general and the Yahwist in particular Van Seters's interest in the Yahwist was stimulated by the 1964 presidential address of the Society of Biblical Literature given by Professor Fredrick Winnett Rethinking the Foundations which focused on the Yahwist in Genesis This interest followed a path of work on issues surrounding the Yahwist that culminated in three volumes Prologue to History The Yahwist as Historian in Genesis 1992 The Life of Moses The Yahwist as Historian in Exodus Numbers 1994 and A Law Book for the Diaspora Revision in the Study of the Covenant Code 2003 Over the last few years it has become clear to Van Seters that readers of the three volumes on the Yahwist which total more than 1 000 pages easily lose sight of the Yahwist's work as a whole and the way in which it provides a historical prologue and framework for D and the DtrH In this book Van Seters seeks to provide a summary sketch of the J history and to make clear how the Priestly corpus has been composed as a supplement to the Yahwist with a radically different form and point of view that has obscured the Yahwist's historical narrative and theological perspective Part one lays out in simple terms the basic form structure and theological perspective of the Yahwist's history where it has been interrupted by the inclusions of P and how it is integrated into DtrH The essays in part two are intended to bring the scholarly discussion of Van Seters's earlier books on the Yahwist more up to date and their order corresponds roughly to the order of the narrative in the first part of the book Some of these articles have been published previously but others are new and quite recent including The Yahwist as Historian      *Return to Casablanca* André Levy, 2015-11-04 Moroccan born Israeli anthropologist Andre Levy here presents a deeply nuanced and highly readable study of the relations between Moroccan Jews and Muslims past and present Levy's return to his birthplace in Casablanca proceeds through several interrelated settings There is the first encounter of return fraught with fear and uncertainty when as an Israeli arriving with papers granted by a third nation to come back to a country that has both repelled him and encouraged his permanent return he finds his worries multiplied by the events of the Gulf War As if he were behind enemy lines he approaches everything with understandable trepidation only to discover directly what he had long known intellectually that Morocco continues to relate to its Jewish population with all the features of its historic ambivalence and ambiguity on full display As he moves through the different contexts and domains of his return he addresses these factors in ways both personal and analytic As the book progresses the reader is introduced to a variety of other contexts of the Moroccan Jewish experience From the card players and beach etiquette to the shared use of public baths and the visits by Muslims to Jewish ritual events the reader catches the sense of old patterns now approached with great wariness by a population that is much diminished both in size and in the daily experience of the dominant Muslim population Moroccan Voyage is an exceptional read and should be ideal for use in a variety of courses in anthropology Jewish studies

and Middle East studies      **Our Church's Story** Alfred Harold Mumford,1911 Intended for young people for Moravians and more It deals with a history of early Protestantism      **Stories from the Diaspora** Selvy Thiruchandran,2006      **Egypt, Israel, and the Ancient Mediterranean World** Gary N. Knoppers,Antoine Hirsch,2004-04-01 Major scholars in North America Europe and the Middle East provide a variety of fresh studies on the history literature religion and art of Egypt Israel Phoenicia and the rest of the ancient Mediterranean world The first part of the book features chapters on ancient Egyptian inscriptions art history and religion The second part deals with biblical studies the histories of ancient Israel Canaan and the relations among societies in the ancient Near East The periods covered in the volume range from Old Kingdom Egypt to the late antique era Most of the art historical and archaeological essays on ancient Egypt Israel and Canaan deal with previously unpublished finds Many of the essays dealing with literary and historical issues explore the relations among ancient cultures explaining the development of and interest in international trade warfare and travel The book is amply illustrated with photos drawings graphs and tables Egypt Israel and the Ancient Mediterranean World is a rich and wide ranging collection of papers that well honors the distinguished scholar to whom it was dedicated It also has much to offer all scholars interested in political and cultural interactions in the ancient eastern Mediterranean basin Stanley M Burstein California State University Los Angeles      The Microfoundations of Diaspora Politics Alexandra Délano Alonso,Harris Mylonas,2021-09-21 The Microfoundations of Diaspora Politics examines the various actors within and beyond the state that participate in the design and implementation of diaspora policies as well as the mechanisms through which diasporas are constructed by governments political parties diaspora entrepreneurs or international organisations Extant theories are often hard pressed to capture the empirical variation and often end up identifying exceptions The multidisciplinary group of contributors in this book theorise these exceptions through three interrelated conceptual moves first by focusing on understudied aspects of the relationships between states as well as organised non state actors and their citizens or co ethnics abroad or at home in cases of return migration Second by examining dyads of origin states and specific diasporic communities differentiated by time of emigration place of residence socio economic status migratory status generation or skills Third by considering migration in its multiple spatial and temporal phases emigration immigration transit return and how they intersect to constitute diasporic identities and policies These conceptual moves facilitate comparative research and help scholars identify the mechanisms connecting structural variables with specific policies by states and other actors as well as responses by the relevant diasporic communities This book was originally published as a special issue of the Journal of Ethnic and Migration Studies      **A Thousand Years of Jewish History, from the Days of Alexander the Great to the Moslem Conquest of Spain, with Two Maps** Maurice Henry Harris,1904      **A History of the Jews in England** Albert Montefiore Hyamson,1908      A Thousand Years of Jewish History: From the Days of Alexander the Great to the Moslem Conquest of Spain Maurice H. Harris,1927      **The Early History of Christianity, Covering the Period from 300**

 Adele Berlin,2001 Following the same format as the companion JPS Bible Commentary series volume on Jonah this scholarly  
 commentary approaches the Book of Esther from a fresh literary point of view and includes essays entitled When and Where  
 Was the Book of Esther Written Sex and Spies and Rabbinic Interpretation      **The Dispersion** Stéphane Dufoix,2016-11-28  
 Winner of the 2017 Choice Outstanding Academic Title Award In The Dispersion St phane Dufoix skillfully traces how the  
 word diaspora first coined in the third century BCE has over the past three decades developed into a contemporary concept  
 often considered to be ideally suited to grasping the complexities of our current world Spanning two millennia from the  
 Septuagint to the emergence of Zionism from early Christianity to the Moravians from slavery to the defence of the Black  
 cause from its first scholarly uses to academic ubiquity from the early negative connotations of the term to its contemporary  
 apotheosis St phane Dufoix explores the historical socio semantics of a word that perhaps paradoxically has entered the  
 vernacular while remaining poorly understood      The Reflex S. M. Melamed,1929      *The Best Books: F, History and*  
*historical biography. G, Archaeology and historical collaterals. 1923* William Swan Sonnenschein,1923      F, History and
