Bolívar's Afterlife in the Americas Robert T. Conn, 2020-04-01 Simón Bolívar is the preeminent symbol of Latin America and the subject of seemingly endless posthumous attention. Interpreted and reinterpreted in biographies, histories, political writings, speeches, and works of art and fiction, he has been a vehicle for public discourse for the past two centuries. Robert T. Conn follows the afterlives of Bolívar across the Americas, tracing his presence in a range of competing but interlocking national stories. How have historians, writers, statesmen, filmmakers, and institutions reworked his life and writings to make cultural and political claims? How has his legacy been interpreted in the countries whose territories he liberated, as well as in those where his importance is symbolic, such as the United States? In answering these questions, Conn illuminates the history of nation building and hemispheric globalism in the Americas.

The Non-resident Indian and Other Stories Sanjay Nigam, 1996 No Marketing Blurb **The Herald**, 1992 **Film, Media and Representation in Postcolonial South Asia** Nukhbah Taj Langah, Roshni Sengupta, 2021-07-28 This volume brings together new studies and interdisciplinary research on the changing mediascapes in South Asia. Focusing on India, Pakistan, and Bangladesh, it explores the transformations in the sphere of cinema, television, performing arts, visual cultures, cyber space, and digital media beyond the traumas of the partitions of 1947 and 1971. Through wide-ranging essays on soft power, performance, film, and television, art and visual culture, and cyber space, social media, and digital texts, the book bridges the gap in the study of the postcolonial and post-Partition developments to reimagine South Asia through a critical understanding of popular culture and media. The volume includes scholars and practitioners from the subcontinent to foster dialogue across the borders and presents diverse and in-depth studies on film, media, and representation in the region. This book will be useful to scholars and researchers of media and film studies, postcolonial studies, visual cultures, political studies, partition history, cultural studies, mass media, popular culture, history, sociology, and South Asian studies, as well as to media practitioners, journalists, writers, and activists.

Santa Anna of Mexico Will Fowler, 2009-10-25 Antonio López de Santa Anna (1794-1876) is one of the most famous and infamous figures in Mexican history. Six times the country's president, he is consistently depicted as a traitor, a turncoat, and a tyrant, the exclusive cause of all of Mexico's misfortunes following the country's independence from Spain. He is also, as this biography makes clear, grossly misrepresented. Will Fowler provides a revised picture of Santa Anna's life, offering new insights into his activities in his bailiwick of Veracruz and in his numerous military engagements. The Santa Anna who emerges from this book is an intelligent, dynamic, yet reluctant leader, ingeniously deceptive at times, courageous and patriotic at others. His extraordinary story is that of a middle-class provincial criollo, a high-ranking officer, an arbitrator, a dedicated

landowner and a political leader who tried to prosper personally and help his country develop at a time of severe and repeated crises as the colony that was New Spain gave way to a young troubled besieged and beleaguered Mexican nation
