

Short story: " The gift of the Magi" by O' Henry

This story take place at christmas time and tells the story of Jim and Della Dillingham, a young couple who don't have enough money to buy each other christmas gifts, so Della know that christmas is coming and she only had one dollar and eighty-seven cents (1,87), which wasn't enough to buy Jim a present. She was looking her long hair and thinking in front of a mirror and had an idea. She ran to cut it.

The lady who bought the hair gave her twenty dollars(20) for it then, Della was running from store to store, trying to find Jim's gift. She wanted to buy him a gold chain for his watch which belonged to his father, so it was an important object. Della found the perfect one and bought it. It cost twenty one dollars. After that she ran home and prepared dinner for him. At seven o'clock the meal was ready but Jim was not there yet. She was a little nervous for Jim's reaction and to give him the gift. When Jim came home he was looking at her strangely and Della started to cry believing that he was not going to love her because of her appearance. She told him the reason why she cut it and Jim couldn't believe it. But Jim said to her something cute and was " nothing like a haircut would make me love you less" But the reason that he was looking her like that was because he had also bought a gift for her and when he showed it to Della, then she was in shocked because the present were combs, the combs that she had seen in a shop and loved for a long time. She said something like " don't worry Jim, my hair grows so fast". and she proceeded to give him her gift, so she opened her hand and there was the shiny gold chain for his watch. Jim didn't say anything, while Della asked him for the watch, he said " I sold the watch to get the money to buy the combs". (The end)

Moraleja o significado de la historia:

These gifts are related to the story of the Magi, who brought gifts to the newborn baby Jesus, which perhaps began the tradition of giving gifts at christmas, but the most important aspect of this story is that both of them sacrificed important objects in order to show their love for each other.
