The Gift of Marriage Marion Stroud, 2002 In this gift book color photographs prayers poems and thoughts combine to create an enduring gift to mark an engagement wedding or anniversary *Celebrating the Gift of Marriage* Rev. James W. Moore, 2010-10-01 As the title suggests this brief six chapter book by popular author James W Moore was written for the purpose of celebrating the gift of marriage It provides marital inspiration and encouragement for all married and soon to be married couples Through this book the author aims to help couples strengthen their marriage to improve their communication with each other to cherish each other and to honor their marital commitment and to always keep Jesus Christ at the center of their union uniting and sustaining their hearts in Christian love Moore provides scriptural guidance and practical advice as he helps readers look at the characteristics of a successful marriage as well as attitudes and actions to avoid The book also contains a study guide that includes discussion reflection questions for couples *Getting Serious about Getting Married* Debbie Maken, 2006 The biblical benefits of marriage and God's command to marry have been severely downplayed in churches today Maken addresses this issue and prompts men and women to remember the Creator designed humans to feel incomplete without a spouse Relationships **The Gift** Trevor M. Chase, 2011-10 What is it about The GIFT that makes it worth having and keeping handy for repeated reference What is it about this book that causes people to refuse to lend it out for fear that they might not get it back And what is it that inspires people to treat it like an heirloom not wanting their children to grow up without knowledge of its contents It has to be about what the book offers between its covers Very true so let's take a brief look at what's in store for those who are interested in making a sound investment towards something which many individuals out of Christ might consider to be a fantasy but would like to have their copy anyway and hold on to it because they too can benefit tremendously from it The Gift is based on a practical concept that ultimately becomes a cherished relationship lifestyle a concept that is so pregnant with marriage preservation content that those who become impregnated with this concept will make marriage attractive even to many of those who are turned off by it At the core of this concept is its ultimate destination the motivation that gives it life and sustained consistency In its *Ultimate Destination* the title of the book becomes relevant and becomes the life blood of the mutual commitment to adhere to the Gold Standard of caring for each other Then there is GIFT care Two hundred and seventy four recommendations for caring for your marriage or the one that you will some day have In this marriage enrichment book the Royal status of the born again individual is brought into focus and its place in marriage enrichment is laid out This chapter shows disrespect the door In dealing with the fact of one's royal status in Christ this author takes the reader to the core of the fascinating world of authentic Christian Identity and shows how it can and is supposed to impact marriage in the most positive ways Then there are the responsibilities of Royalty Here too we are treated to a plethora of potentially life transforming facts a transformation that elevates self concept to new highs and changes the fulfillment zip code of the marriage itself In this book the author also

deals with the practicality of Royalty Have you ever wondered how your marriage would be affected if you were to see both yourself and your spouse through the eyes of God This author takes you there Don t miss it If you and your spouse are both born again of the Holy Spirit do you know that to treat each other any less than as Royalty is highly offensive to God You owe it to yourself your marriage and your spouse to get this book and see why this is so Watch your home prosper as you make good use of this information
