

# The Go Between

**Leslie Poles Hartley, G. Blondeau**

## **The Go Between:**

The Go-between L. P. Hartley, 2015-05-08 The moving exploration of a young boy's loss of innocence The past is a foreign country they do things differently there When one long hot summer young Leo is staying with a school friend at Brandham Hall he begins to act as a messenger between Ted the farmer and Marian the beautiful young woman up at the hall He becomes drawn deeper and deeper into their dangerous game of deceit and desire until his role brings him to a shocking and premature revelation The haunting story of a young boy's awakening into the secrets of the adult world The Go Between is also an unforgettable evocation of the boundaries of Edwardian society It was adapted into an internationally successful film starring Julie Christie and Alan Bates Edited with an introduction and notes by Douglas Brooks Davies Magical and disturbing Independent On a first reading it is a beautifully wrought description of a small boy's loss of innocence long ago But visited a second time the knowledge of approaching unavoidable tragedy makes it far more poignant and painful Express

**Kama Sutra (Illustrated Edition)** Vatsyayana, Richard Francis Burton, 2021-08-13 Man should study the Kama Sutra and the arts and sciences subordinate thereto in addition to the study of the arts and sciences contained in Dharma and Artha Even young maids should study this Kama Sutra along with its arts and sciences before marriage and after it they should continue to do so with the consent of their husbands \_x000D\_ Kama Sutra is an ancient Indian text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by V tsy yana A portion of the work consists of practical advice on sexual intercourse Contrary to popular perception especially in the western world Kama sutra is not exclusively a sex manual it presents itself as a guide to a virtuous and gracious living that discusses the nature of love family life and other aspects pertaining to pleasure oriented faculties of human life \_x000D\_ Sir Richard Francis Burton 1821 1890 was a British explorer geographer translator and diplomat Burton's best known achievements include a well documented journey to Mecca in disguise an unexpurgated translation of One Thousand and One Nights commonly called The Arabian Nights in English the publication of the Kama Sutra in English and an expedition with J H Spake to discover the source of Nile \_x000D\_ TABLE OF CONTENTS \_x000D\_ Book \_x000D\_ Kama Sutra of Vatsyayana \_x000D\_ Biography \_x000D\_ Life of Sir Richard Burton by Thomas Wright \_x000D\_ Romance of Isabel Lady Burton The Story of Her Life Vol 1 2 *The Go-Between*

Blondeau, 1974 **City Life in Japan** R. P. Dore, 2023-11-10 This book offers an in depth exploration of life in Shitayama cho a diverse neighborhood in Tokyo aiming to capture the daily experiences cultural practices and social dynamics of its residents By examining how people earn a living form relationships and interact with their environment the study seeks to provide a nuanced understanding of both individual lives and broader community patterns While the neighborhood s heterogeneity presents challenges to generalization it also reflects the complexity of Tokyo s urban fabric making the findings relevant to understanding city life in Japan as a whole The combination of direct observation and formal interviews allows for a rich multi dimensional portrait of life in Shitayama cho complemented by comparative insights drawn from national statistics and broader studies of urban Japan The study also delves into the ongoing social transformations in Japanese society contextualizing changes in family structures community

relationships and cultural attitudes against a backdrop of industrialization and Western influence. By comparing traditional practices with emerging modern values, the research sheds light on how these shifts manifest in everyday life and how individuals navigate the resulting tensions. The book balances its focus on local lived experiences with broader sociological inquiries addressing both the unique cultural traits of Japanese society and the universal challenges posed by modernization. Through this approach, it provides valuable insights for understanding both the continuity and change in urban Japan. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1963.

### **Co-ordinating Services for Children and Youth at Risk: A World View**

OECD, 1998-07-17. With 15-30% of our children and youth at risk of failing in school, increasing the coordination of education, health, and social services is seen as part of the solution. This book shows how it is being done in Australia, Canada, Finland, Germany, the Netherlands, Portugal, and the United States.

### **White Horse, Red Horse, Black Horse, Dead Horse**

KISA Burnett, 2014-11-24. When Elijah Blanco said his last words, he didn't realize he was about to be thrown into a competition to become one of the Four Horsemen of the Apocalypse. But now the game is on, and Elijah and thousands of other dead riders soon learn there's much more to dying than any preacher could have guessed. Heaven has released a herd of unearthly ponies into the world of the living, and it's up to the dead riders to capture them if they want to save their souls from Hell. As the game heats up, Elijah and his horse Delilah find themselves joined by a futuristic woman with a computer-powered horse, an easy-going English biker in black leather, and a Roman soldier bred for war as the horse he rides. Together they uncover a divine conspiracy that puts the riders' immortal souls in greater danger than ever before. And when the dead start dying, Elijah begins to think the Apocalypse should be brought to Heaven instead.

**Corporate Social Capital and Liability** Roger Th.A.J. Leenders, Shaul M. Gabbay, 1999-07-31. What enables some organizations to routinely perform better than others? Conversely, what makes some firms consistently perform worse than their competitors? Within a single corporation, what enables some teams or individual firm members to outperform their counterparts? Through the concept of social capital, this book addresses these questions by studying the effects of relationship networks on the ability of corporate players, firms, and their members to attain their professional goals. The idea of social capital has become one of the premier approaches to studying networks in the context of organizations, but the literature still lacks a conceptual paradigm that connects the various approaches, definitions, and measures of social capital into an integrated analytical model. By explicitly connecting social networks to the goals of corporate players, this book provides a unifying framework to the study of social capital in an organizational context. In this volume, social capital is defined as the resources that accrue to an actor through his or her social relationships and that aid in the attainment of goals. The book introduces the new notion of social liability as

a framework to analyze the negative effects social networks can have on the attainment of goals by firms and or their members Corporate Social Capital and Liability thus presents a new way to tie together findings and approaches in the literature by explicitly addressing the distinction between networks and outcomes the distinction between networks at the level of firms and networks at the level of individuals and the distinction between positive outcomes of social structure social capital and negative outcomes social liability The book s contributors are forty six acclaimed scholars from around the world with backgrounds in management business and sociology Together they describe how social relationships within and between firms positively affect the ability of corporations to achieve fruitful alliances gain access to information resources knowledge and financial capital and recruit qualified personnel The book makes an explicit distinction between networks at the level of firms and networks at the level of individuals The outcomes of networks are also considered at these different analytical levels by addressing such questions as how do social relationships between firms assist firms and individuals in the attainment of their goals How do these relationships obstruct goals What is the effect of networks between individuals within and between firms on the performance of these individuals and the firms they work for Can networks be managed to yield social capital rather than social liability The unifying framework of social capital and social liability is helpful in studying business enterprises and also useful in other disciplines which analyze social networks and organizations such as community studies economics and political science
