**The Real Lincoln** Jesse William Weik, 2002-01-01 Originally published in 1922 The Real Lincoln is an in depth look at Abraham Lincoln the man not the public figure Acclaimed at the time as an excellent impartial source book The Real Lincoln was compiled by Jesse W Weik through a series of letters and interviews with people who knew the sixteenth president personally as well as their descendants This is an examination of Lincoln without the weight of history looking at him as a dynamic figure and illuminating aspects of his life before his presidency His childhood his marriage to Mary Todd his law practice the way he spent his free time and his introduction to politics are just some of the subjects covered In this latest edition of The Real Lincoln Michael Burlingame has included dozens of original letters and interviews received by Weik between 1892 and 1922 that went into creating this work Occasionally lighthearted and always insightful this revealing book will enthrall anyone curious about the human side of the man too often viewed as a monument

**The Real Lincoln** Thomas J. DiLorenzo, 2009-02-19 A New Look at Abraham Lincoln His Agenda and an Unnecessary War Most Americans consider Abraham Lincoln to be the greatest president in history His legend as the Great Emancipator has grown to mythic proportions as hundreds of books a national holiday and a monument in Washington D C extol his heroism and martyrdom But what if most everything you knew about Lincoln were false What if instead of an

American hero who sought to free the slaves Lincoln were in fact a calculating politician who waged the bloodiest war in American history in order to build an empire that rivaled Great Britain's. In *The Real Lincoln* author Thomas J DiLorenzo uncovers a side of Lincoln not told in many history books and overshadowed by the immense Lincoln legend. Through extensive research and meticulous documentation DiLorenzo portrays the sixteenth president as a man who devoted his political career to revolutionizing the American form of government from one that was very limited in scope and highly decentralized as the Founding Fathers intended to a highly centralized activist state. Standing in his way however was the South with its independent states its resistance to the national government and its reliance on unfettered free trade. To accomplish his goals Lincoln subverted the Constitution trampled states rights and launched a devastating Civil War whose wounds haunt us still. According to this provocative book 600 000 American soldiers did not die for the honorable cause of ending slavery but for the dubious agenda of sacrificing the independence of the states to the supremacy of the federal government which has been tightening its vise grip on our republic to this very day. In *The Real Lincoln* you will discover a side of Lincoln that you were probably never taught in school a side that calls into question the very myths that surround him and helps explain the true origins of a bloody and perhaps unnecessary war. *The Real Lincoln* D. L. Hatton, 2013-12-05 An example of the Changing history perpetrated by those who would change our American institutions and Government. *The Real Lincoln: from the Testimony of His Contemporaries* Charles Minor, 2017-09-25 Professor Minor was indeed a brave man to make such startling revelations. In no uncertain manner he rends the veil and discloses *The Real Lincoln*. The halo of glory which for more than fifty years has encircled the martyred President fades away. *The Confederate Veteran* 1920. In this 1904 book the author attempts to correct misconceptions about Abraham Lincoln and offers evidence to support his contentions. *The Real Lincoln* as presented by Minor is not a theme written by the author nor a collection of opinions from Southern authors or enemies of Lincoln but a summary of testimony from Lincoln's friends and admirers his biographers who for truth's sake must tell the bad as well as the good testimony from men of his own party and trend of thought as Herndon his law partner Lamon his close friend and companion the night of his entry into Washington a short time before his first inaugural testimony from his most loving worshipers as Holland editor of Scribner's Morse in his *American Statesmen Series* Hapgood who in his biography declares that Lincoln was unequaled since Washington in service to the nation Piatt who in his *Reminiscences of Lincoln* depicts him as the greatest figure looming up in our history Rhodes and others deem it a necessity and duty to make these revelations. **The Real Lincoln** Charles L C Minor M a, Charles Minor, 2012-08-11 Published in 1904 this is an expose on U S President Abraham Lincoln as written from

**Lincoln Unmasked** Thomas J. DiLorenzo,2009-01-21

What if you were told that the revered leader Abraham Lincoln was actually a political tyrant who stifled his opponents by suppressing their civil rights

What if you learned that the man so affectionately referred to as the Great Emancipator supported white supremacy and pledged not to interfere with slavery in the South

Would you suddenly start to question everything you thought you knew about Lincoln and his presidency

You should Thomas J DiLorenzo who ignited a fierce debate about Lincoln s legacy with his book **The Real Lincoln** now presents a litany of stunning new revelations that explode the most enduring and pernicious myths about our sixteenth president

Marshaling an astonishing amount of new evidence **Lincoln Unmasked** offers an alarming portrait of a political manipulator and opportunist who bears little resemblance to the heroic stoic and principled figure of mainstream history

Did you know that Lincoln did NOT save the union

In fact Lincoln did more than any other individual to destroy the voluntary union the Founding Fathers recognized

did NOT want to free the slaves

Lincoln who did not believe in equality of the races wanted the Constitution to make slavery irrevocable

was NOT a champion of the Constitution

Contrary to his high minded rhetoric Lincoln repeatedly trampled on the Constitution and even issued an arrest warrant for the chief justice of the United States

was NOT a great statesman

Lincoln was actually a warmonger who manipulated his own people into a civil war

did NOT utter many of his most admired quotations

DiLorenzo exposes a legion of statements that have been falsely attributed to Lincoln for generations usually to enhance his image

In addition to detailing Lincoln s offenses against the principles of freedom equality and states rights **Lincoln Unmasked** exposes the vast network of academics historians politicians and other gatekeepers who have sanitized his true beliefs and willfully distorted his legacy

DiLorenzo reveals how the deification of Lincoln reflects a not so hidden agenda to expand the size and scope of the American state far beyond what the Founding Fathers envisioned

an expansion that Lincoln himself began

The hagiographers have shaped Lincoln s image to the point that it has become more fiction than fact

With **Lincoln Unmasked** DiLorenzo shows us an Abraham Lincoln without the rhetoric lies and political bias that have clouded a disastrous president s enduring damage to the nation
