*The Research Magnificent* H. G. Wells,2020-07-17 This 1915 novel masquerades as a biography of the fictitious William Porphyry Benham prepared by friends after his death From a young age Benham fixed his sights resolutely upon the idea of expressing a noble quality in every thought and action of his life forcibly curing himself of fear and other ignoble qualities The New York Times praised the book as abounding in clever phrases and stimulating ideas The story of William Porphyry Benham is the story of a man who was led into adventure by an idea It was an idea that took possession of his imagination quite early in life it grew with him and changed with him it interwove at last completely with his being His story is its story It was traceably germinating in the schoolboy it was manifestly present in his mind at the very last moment of his adventurous life He belonged to that fortunate minority who are independent of daily necessities so that he was free to go about the world under its direction It led him far It led him into situations that bordered upon the fantastic it made him ridiculous it came near to making him sublime And this idea of his was of such a nature that in several aspects he could document it Its logic forced him to introspection and to the making of a record **The Research Magnificent** H. G. Wells,2018-04-07 This 1915 novel masquerades as a biography of the fictitious William Porphyry Benham prepared by friends after his death From a young age Benham fixed his sights resolutely upon the idea of expressing a noble quality in every thought and action of his life forcibly curing himself of fear and other ignoble qualities The New York Times praised the book as abounding in clever

**The Research Magnificent** H. G. Wells,2013-11-27 This is the annotated edition including the rare biographical essay by Edwin E Slosson called H G Wells A Major Prophet Of His Time Several of Mr Wells s books have been studies of society from the general standpoint but in some of his later stories such as The New Machiavelli and The Passionate Friends he has been more interested in thinking of what the individual life could do in and for society His book The Research Magnificent is the story of a man who being unlimited by minor matters set himself to find some theory of his work and duty in the world a plan of the world s future that should give a rule to his life A world state sustained by an aristocracy of noble men that idea or theory is not new to a reader of Wells but here will be found someone who tried to work out some practical way in the matter Not a novel one may readily say just as White the literary man who was called to look over Benham s papers said when the magnificent search had come to an end It is not unlike those autobiographical novels that as Mr Wells once wrote were popular throughout the third and fourth decades of the twentieth century It is the work of a novelist of course a story by a man who feels things keenly a man who is sensitive appreciative humorous whimsical But it is chiefly a matter of record valuable for the results it has in it
