

The Restless Heart

Wynonna Judd

The Restless Heart:

The Restless Heart Ronald Rolheiser, 2006-10-17 A thoughtful exploration of loneliness in the tradition of Henri Nouwen's classic *Reaching Out: Loneliness May Be More Pervasive Now Than at Any Other Time in Human History*. Cell phones and instant messaging notwithstanding, our longing for meaningful connections seems to increase in direct proportion to our accessibility. In *The Restless Heart*, Ronald Rolheiser identifies different types of loneliness and discusses the dangers and opportunities they represent in our lives. Using contemporary parables from literature, film, and his own life, he shows that loneliness can be a tremendously creative and even valuable force when it is recognized, accepted, and used as a dynamic catalyst. With his trademark clarity of vision, honesty, and intelligence, Rolheiser offers a distinctively Christian approach to living an examined, involved life and presents suggestions that will free readers to discover greater meaning and fulfillment in their own lives.

The Restless Heart Augustine John Moore, 2018-03-29 Every sincere seeker of truth will want to know more about St. Augustine and his writings. *The Restless Heart* is an accurate symbol for men and women of every age and culture. In his book *The Restless Heart*, Rev. Moore endeavors to state and explain many of the profound ideas of St. Augustine. You will learn, for example, Augustine's philosophical and theological concepts relating to *The Restless Heart* and many of Augustine's ideas. You will broaden your understanding of the spiritual life of love, of prayer, and grow in your appreciation of one of the most brilliant minds of every age. St. Augustine in his confessions draws one into a deeper understanding of God's merciful love and demonstrates that one must be humble and trusting before the Lord, God, and seek to do His will with a joyful heart because the heart rests in God.

The Restless Heart Ronald Rolheiser, 2003 Written over 20 years ago, *The Restless Heart* was the product of a lonely young man searching for meaning to his feelings of emptiness and isolation. In this edition, Rolheiser comments on the preface how timid we can become with maturity and how, re-reading his work, he felt pride for his younger, braver self. Identifying different types of loneliness, the author reassures, challenges, and frees the reader to live more meaningfully with solitude.
