Isaac Edwards Clarke

The Restless Sea:

The Restless Sea Robert Kunzig, 1999 The sea covers seven tenths of the Earth but we have mapped only a small percent of it The sea contains millions of species of animals and plants but we have identified only a few thousand of them The sea controls our planet s climate but we do not really understand how The sea is still the frontier and yet it seems so familiar that we sometimes forget how little we know about it Just as we are poised on the verge of exploiting the sea on an unprecedented scale mining it fertilizing it fishing it out this book reminds us of how much we have yet to learn More than that it chronicles the knowledge explosion that has transformed our view of the sea in just the past few decades and made it a far more interesting and accessible place

Thompson, 2012-07-05 The Cornish coast of 1810 was alive with fishing boats warships and smugglers For Nathan Jago a fishing business seemed the ideal place to invest his prizefighting winnings But it wasn t all plain sailing to a wealthy future For a start there was wilful young squire s daughter Elinor Hearle And then there was Amy with her passion for the sea and her fierce Cornish pride

The Restless Sea Cynthia Harrod-Eagles, 2005 England in 1912 still bears itself with Edwardian confidence but strikes protests and public violence reveal the fault lines as society evolves under the spur of new ideas and technology Among the many branches of the Morland family Jessie and Violet childhood friends learn to cope with the surprises of marriage and motherhood and their different strata of society Jack disappointed in love loses himself in designing aircraft and training airmen for the newly formed flying corps And Anne exhausted by the Suffragette struggle seeks comfort in her friendship with an unconventional young woman The Titanic tragedy shakes the confidence of a people used to conquering nature with engineering and all the while the troubled nations of Europe edge closer to a war no one wants but which seems inevitable
