**Over the Years** Louis Bankole Jones, 2011-09-24 Over the years is a collection of poems written in four different countries in two different continents between the years of 1993 and 2000 Due to the subject matter the collection could also be subtitled War Poverty Life and Love Two poems were composed virtually on the same day as the residue of anarchy and war crystallized into thought provoking moments Poverty an ugly part of man s destiny continues to baffl e and embarrass humanity especially when it exists in the midst of plenty As two themes love and nature tend to walk hand in hand the middle of February gave me the right time to express heartfelt sentiments related to both Likewise in some verses life and love are inextricably connected as food for thought I hope readers will join me in this emotional journey from the painful fi rst hand witness of anarchy and wanton destruction through joy in simply living and loving to exhilaration in nature s rich and beautiful bounty

**Through the Years** Arthur Dromerhauser, 2019-01-25 The sun sets as I sit on the patio With pen in hand I prepare to compose how times in my life might have been better spent Many hours pass Numerous pages filled Thoughts crystallize Then the revelations Oh dear Lord there is much I must convey Arthur Dromerhauser has been expressing his feelings and views through poetry for many years In his first collection he shares reflections on various stages of both his life and family as he experienced not only trials and tribulations but also the joys and successes of a life well lived Divided into six sections Dromerhauser s diverse poems not only explore his faith the circle of life and love but also the twilight years as he ponders the past present and future As he reflects on his memories of days gone by days to come family and friendships and the realities of aging Dromerhauser encourages others to do the same for it is only when we look deep within that we receive the answers to life s many complex questions Through the Years is a collection of poems that reflects on one man s journey through life as he ponders all his experiences challenges and delights
