Meyer,1984 *The End of the Yellowbrick Road* Timothy Wentworth Beaumont,1997 This book examines what progress the world is making as it embarks on the necessary and inevitable shift from an exploitative capitalistic economic system where money is the bottom line to the new paradigm of a sustainable economics in which wealth or welfare is the defining factor **Yellow Brick Road** ,1975 **There's No Place Like Home** Jamie Thompkins,2010-08 Some place where there isn t any trouble Do you suppose there is such a place Toto There must be It s not a place you can get to by a boat or a train It s far far away Behind the moon beyond the rain The Wizard of Oz 1939 A long time ago a famous young woman set out to find the Emerald City and an entire generation grew up dreaming of the Yellow Brick Road and the Wicked Witch of the West As it turns out the Emerald City is really not so far away In her inspirational book No Place Like Home Jamie W Thompkins explores how every individual must follow their own Yellow Brick Road and understand the true meaning of a relationship with God and find his own way to the true Emerald City Through the dark forests of life and despite the witches we may encounter there is a brilliant path that God has laid out for each of us which we must inevitably follow to find our way to our heavenly home Join Jamie Thompkins on this incredible journey over the rainbow and find your way through a winding world **Color It True** Murray Pomerance,2021-12-16 This often startlingly original book introduces a new way of thinking about color in film as distinct from existing approaches which tend to emphasize either technical processes and or histories of film coloration or the meanings of color as metaphor or symbol or else part of a broader signifying system Murray Pomerance s latest meditation on cinema has the author embed himself in various ways of thinking

about color not ways of framing it as a production trick or a symbolic language but ways of wondering how the color effect onscreen can work in the act of viewing Pomerance examines many issues including acuity dreaming interrelationships saturations color contrasts color and performance color as a performance aid or even performance substitute and more The lavender of the photographer s seamless in Antonioni s Blow Up taken in itself as an explosion of color worked into form and then considered both as part of the story and part of our experience The 14 chapters of this book each discuss a single primary color as regards to our experience of cinema After opening the idea of such an exploration in terms of the history of our apperception and the variation in our experience that color germinates Color it True takes form
