pages to decide I was so excited that I could not wait to start work I think it took me less than five minutes to tell her my choice I loved your novel The more I kept on reading the more I got completely involved in it The novel through its irony and its grotesque can pass important messages without ever becoming banal indeed I must say that I had a lot of fun translating Yo Yo Denti di Lupo It was a truly pleasure rather than a work I had the good fortune to spend a year living in the States This experience has been very helpful in translating your novel especially for the use of slang and street language which unfortunately are not taught at the University but on the other hand they are becoming increasingly popular Really congratulations for your work and I m waiting for the next one Now I am a fan of yours Thanks for the good wishes A hug
Alessandra
