Owenby, 2023-11-01 Today there are many attacks against the Word of God but I believe in the authority given to us The Bible is not referring to the mythological unicorn the horse with a horn creature of fairy tales and fantasy literature In my study of the unicorn I am led to believe that it was a wild ox I believe it was a real creature of great strength In Numbers 23 22 and 24 8 God compares His own strength to that of a wild ox Deuteronomy 33 17 is a part of Moses blessing on Joseph He compares Joseph s majesty and strength to a firstborn bull Moses prays for Joseph s military force picturing it like a unicorn wild ox goring the nations In Psalm 22 21 David asks God to save him from the powers of his wicked enemies described as the horns of the unicorns In Psalm 29 6 the power of God s voice shakes the earth causes the great cedars of

Lebanon to break and skip like a calf Lebanon and Sirion like a young unicorn In Psalm 92 10 the writer confidently describes his military victory as the horn of an unicorn In Isaiah 34 7 as God is about to unleash his wrath upon Edom the prophet Isaiah draws a picture of a great sacrificial slaughter classifying the wild ox unicorn with the ceremonially clean animals that will fall to the sword In Job 39 9 12 Job compares the unicorn or wild ox a standard symbol of strength in the Old Testament with domesticated oxen I believe the unicorn is now extinct throughout the world

Reading Madeleine L'Engle Heidi A. Lawrence, 2023-10-20 Using a critical lens derived from ecopsychology and its praxis ecotherapy this book explores the relationships Madeleine L. Engle develops for her characters in a selection of the novels from her three Time Austin family and O Keefe family series as those relationships develop along a human nonhuman kinship continuum This is accomplished through an examination both of pairs of novels from the fantastic and the realistic series and of single novels which stand out as slightly different from the most prominent genre in a given series Thus this examination also shows L Engle s fluid movement along a fantasy reality continuum and demonstrates the integration of the three series with each other Importantly through examining these relationships and this movement along continuums in these novels the project demonstrates how ecopsychology and ecotherapy provide strong and important and as yet virtually unexplored intersections with children s literature
