Mr. Monk Helps Himself Hy Conrad, 2013-12-03 Welcome to the series of original mysteries starring Adrian Monk the brilliant investigator who always knows when something's out of place Natalie is taking a break from studying for her PI license the last step to becoming Monk's full partner She sneaks off to Half Moon Bay for a retreat run by Miranda Bigley leader of the Best Possible Me self help program but her plans for a relaxing weekend are disrupted when Monk tracks her down to rescue her from the cult Their argument is cut short when Miranda in full view of everyone calmly walks to the edge of a cliff and jumps Even though Miranda's death looks like suicide Natalie is sure it's murder But Monk brushes her off to help the SFPD solve the murder of a clown despite his coulrophobia aka fear of clowns As Monk and Natalie begin their independent investigations they quickly learn that if they want to figure out whodunit they will have to find a way to become true partners An all new story starring Adrian Monk by Edgar Award nominated Monk screenwriter and coexecutive producer Hy Conrad It's compulsive page turning fun

On the Nature of Poetry Kenneth Verity, 2012-08-08 Some guides to a subject could more or less be written by any expert in that field but a small minority are unique creations of a rare individual who has their own view Unfortunately most of the latter types of guides fail to be good general guides Verity's genius makes him the exception This book is arranged in chronological chapters that trace the evolution of poetry as an art form At the same time each chapter gives a most practical explanation of how that aspect of poetry that it covers works and why The book is immensely readable hugely informative and adds to the ability of the reader to enjoy and to create poetry It is a classic Epictetus Amazon review The great merit of Verity's approach is that he quotes lavishly throughout not only from the poems themselves but also from a variety of critics LIBRARY REVIEWS Of his first book of sonnets Kingsley Amis wrote They belong within the corpus of English poetry Excerpts of Interview with Kenneth Verity on The Vanessa Phelps BBC Radio programme on June 2009 on the News Page off the Home page The amount of reading which underpins this book is breathtaking The great merit of Verity's approach is that he quotes lavishly throughout not only from the poems themselves but also from a variety of critics The chapter on poetry's figurative element is a model of lucid definition and telling illustration showing how

many layers of meaning may lie behind a single word LIBRARY REVIEWS The author writes The intention of this book is to examine and analyse the essential nature of the phenomenon we call poetry to seek an understanding of the power this art form exerts over mind and heart to comprehend its potency and to explain its perennial ability to command the respect of mankind Almost a library in one volume this unusual book written by an accomplished poet examines the 4000 years old phenomenon of poetry

Five First Chances Sarah Jost,2023-04-18 A compassionate ode to the beautiful messiness of being human Glendy Vanderah Reminiscent of Matt Haig s *The Midnight Library* and Rebecca Serle s *In Five Years* Booklist A life affirming debut that blends a poignant exploration of friendship and loss with a truly unforgettable love story What would you do if you had one more chance for the life of your dreams Lou feels like she is stuck on the wrong path alone in a city far from home watching other people be happy When the man she s in love with announces his engagement to someone else Lou is consumed by what ifs That s when she finds herself slipping back in time to a night two years ago where one small decision changed everything Suddenly Lou has a chance to fix her mistakes But as her choices lead her down roads she never could have imagined she finds herself stuck in a time loop of her own making And with each slip Lou notices her life intersecting with one person again and again A friend of a friend who once lived on the periphery who is slowly becoming the one person who makes her feel like she might finally be on the right track Lou is about to realize that our greatest love stories aren t always the ones we expected but are the ones we choose to fight for For anyone who has ever felt stuck on the wrong path comes a stunning time bending love story that challenges what it means to get things right This is a book that will pull at your heartstrings and make you realize that our world is full of inspiring people poised to change everything and you might just be one of them
