Their Last Battle:

The Last Battle Stephen Harding,2013-05-07 The true story of US German soldiers fighting side by side in the final days of WW II

The Last Battle Clive Staples Lewis,1980 Narnia where lies breed fear where loyalty is tested where all hope seems lost During the last days of Narnia the land faces its fiercest challenge not an invader from without but an enemy from within Lies and treachery have taken root and only the king and a small band of loyal followers can prevent the destruction of all they hold dear in this the magnificent ending to The Chronicles of Narnia

The Last Battle Cornelius Ryan,2010-02-16 The classic account of the final offensive against Hitler s Third Reich The Battle for Berlin was the culminating struggle of World War II in the European theater the last offensive against Hitler s Third Reich which devastated one of Europe s historic capitals and marked the final defeat of Nazi Germany It was also one of the war s bloodiest and most pivotal battles whose outcome would shape international politics for decades to come The Last Battle is Cornelius Ryan s compelling account of this final battle a story of brutal extremes of stunning military triumph alongside the stark conditions that the civilians of Berlin experienced in the face of the Allied assault As always Ryan delves beneath the military and political forces that were dictating events to explore the more immediate imperatives of survival where as the author describes it to eat had become more important than to love to burrow more dignified than to fight to exist more militarily correct than to win The Last Battle is the story of ordinary people both soldiers and civilians caught up in the despair frustration and terror of defeat It is history at its best a masterful illumination of the effects of war on the lives of individuals and one of the enduring works on World War II

The Last Battle (full color) C. S. Lewis,2000-08-22 The last battle is the greatest of all battles Narnia where lies breed fear where loyalty is tested where all hope seems lost During the last days of Narnia the land faces its fiercest challenge not an invader from without but an enemy from within Lies and treachery have taken root and only the king and a small band of loyal followers can prevent the destruction of all they hold dear in this the magnificent ending to The Chronicles of Narnia

In the Highest Degree: Volume Two P. H. Brazier,2018-10-31 The theological and philosophical works of C S Lewis were grounded in the argument from reason being a form of revelation that predates nature and relates to the divine i e the Word of God Christ the Logos These essays provide some understanding of the essentials to Lewis s philosophical theology that is the essentia in the highest degree Lewis s corpus can seem disparate but here we find unity in his aims objectives and methodology a consistency that

demonstrates the deep roots of his philosophical theology in Scripture Greek philosophy patristic and medieval theology and some of the Reformers all framed by a reasoned discipline from a perceptive and critical mind method and form content and reason for the glory of God From an analysis of reason to the evidence of Christ as the light of the world across human endeavors and religions a doctrine of election and an understanding of Scripture the Philosophy of the Incarnation as Lewis termed it in fundamental arguments with various modern liberal theologians we find evidence for the actuality of the incarnation the divinity of Christ

C.S. Lewis—On the Christ of a Religious Economy, 3.1 P. H. Brazier,2013-05-03 C S Lewis On the Christ of a Religious Economy I Creation and Sub Creation opens with Lewis on creation the fall into original sin and the human condition before God and how such an understanding permeated all his work post conversion For Lewis Christ the second person of the Trinity is the agent of creation and its redeemer This leads into Lewis s representation through sub creation explaining salvation history and the purpose of the creation and the creature through story The Chronicles of Narnia The Space Trilogy Screwtape etc but also the question of multiple incarnations and the encounters he pens between Aslan Christ and creatures What does this tell us about the human predicament and our state after the fall This volume forms the first part of the third book in a series of studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work
