Theology March April 2001:

Theological Dictionary of Rabbinic Judaism Jacob Neusner, 2005 Rabbinic theological language has made possible a vast range of discourse on many subjects over long spans of recorded time and in diverse cultural settings This theological dictionary defines the principal theological usages of Rabbinic Judaism as set forth in the Rabbinic canon of late antiquity Mishnah Talmuds and Midrash compilations It systematically lays 1 the theological categories that are native to those writings 2 cogent statements that can be made with them 3 coherent propositions that those statements set forth and within their own terms and framework logically demonstrate as true and self evident both Volume One of this dictionary covers vocabulary that permits the classification of religious knowledge and experience and the organization and categorization of those data into intelligible and cogent sense units Volume Two shows how these classifications combine and recombine in sentences We may deem these rules of theological discourse concerning religious experience to be the counterpart of syntax which words combine or do not combine with which other words in what inflection or signaled relationship and why Volume Three shows how the theology accomplishes its goals of analysis explanation and anticipation in order to make sense of and impose meaning upon a subject That marks the point at which constructive theology commences and systematic theology will find its language

Methodist Theology Today Clive Marsh, 2006-05-10 Presents the Methodist theology as a resource for the future This book focuses on the many ways in which Methodism carries its theology and how Methodism s emphasis contributes to British Christianity It asks challenging questions about how evangelism and social welfare may develop in the complex post modern secular world

African Theology as Liberating Wisdom Mari-Anna Pöntinen, 2013-02-14 In African Theology as Liberating Wisdom Celebrating Life and Harmony in the Evangelical Lutheran Church in Botswana Mari Anna P ntinen analyses contextual interpretations of the Christian faith in this church These interpretations draw from the Tswana tradition and liberation in Christ

A Theology for the Church Daniel L. Akin, 2007 Leading Baptist and evangelical thinkers examine eight key Christian doctrines shaping a church theology that is both biblically sound and relevant today

Into the Dark (Cultural Exegesis) Craig Detweiler, 2008-08-01 In this book Craig Detweiler examines forty five films from the twenty first century that resonate theologically from the Lord of the Rings trilogy to Little Miss Sunshine offering groundbreaking insight into their scriptural connections and theological applications Detweiler writes with the eye of a filmmaker leads Hollywood and religion initiatives at Fuller Seminary and even came to faith through cinema In this book he unpacks the theology of everyday life exploring the Spirit of God in creation redemption and general revelation through sometimes unlikely filmmakers It s the first authoritative book that dissects up to date movies selected by the popular Internet Movie Database This book is recommended for teachers students pastors film fans and those interested in the intersection of Christianity and culture

Unmasking Methodist Theology Clive Marsh, 2004 Annotation divBritish Methodism is reshaping itself At a time of uncertainty about the future owing to declining numbers and an ever closer

relationship with the Church of England a collection of the liveliest theological minds in contemporary Methodism have written a book which shows how recent theology can be a resource for the future Methodism has always had an active concern with both evangelism and social welfare and by means of its central organization it is able to coordinate efforts in these areas The book asks challenging questions about how this may develop in the complex post modern secular world

Mediations in Theology Jacques Haers,2003 On the occasion of the retirement of Prof Georges De Schrijver his former students organised a special symposium in close collaboration with the Centre for Liberation Theologies of the Faculty of Theology K U Leuven and some of its friends and supporters Fifteen years earlier in 1987 the intellectual friendships between Fr Georges and his students based on their common concerns for a theology at the service of those who suffer gave birth to the Centre for Liberation Theologies Over the years a common project inspired theological investigation out of many different contexts requiring a close look at the mediations or processes of translation that would allow those contexts to fruitfully interact with theology This book contains a fundamental reflection on the practice of mediations in theology and provides concrete examples out of a variety of contexts It responds to the need for developing a new style of theology in which a common concern is expressed in a rich diversity of perspectives The idea of mediation provides one of the insights that allow to think the tension between unity and plurality

Conservative Judaism and the Faces of God's Words Benjamin Edidin Scolnic,2005-08-29 While countless millions of people today sincerely claim that the Bible is their main source of inspiration most of them do not really read it Instead they tell what this sacred text should say rather than allow its words to speak to them The Bible becomes a monolithic idol hewn out of the stone of their particular ideologies In a series of pointed and concise essays Benjamin Edidin Scolnic rabbi and scholar interprets the Bible not as The Word but as God s Words The open minded reader will find contradictions at every turn and be forced to wrestle with difficult passages fraught with moral and spiritual complexity Conservative Judaism embraces a pluralistic approach to the Bible that assumes that complexity The intellectual foundation of Conservative Judaism is the understanding that growth through interpretation has been its hallmark from the time of its origins Scolnic discusses how pluralistic religious interpretation of the Bible should affect Judaism s perspective on current issues such as spirituality and feminism Rather than avoid the hard parts he advocates educational and homiletical approaches that confront the most difficult Biblical texts enabling a new generation to rediscover the flexibility and power of sacred words

How Not to Study Judaism: Parables, rabbinic narratives, rabbis' biographies, rabbis' disputes Jacob Neusner,2004 In *How Not to Study Judaism* Examples and Counter Examples Jacob Neusner presents a collection of essays and book reviews that identify the wrong way of conducting the academic study of Judaism Pointing readers toward the right way to pursue the academic study of Judaism Nuesner s focus is on the study of the literature of Judaism and the culture of the Jewish community
