imaginary world where fantasy and fear are equally real she discovers that even her reality is not what it seems As the lines between real and imagined blur Faith s quest for self agency may cost her everything she holds dear in both worlds The Guild Master s Daughter is the award winning tale of one young woman s journey to create her own destiny through courage self discovery and the extraordinary power of belief Lose yourself in her world of artistry and magic where dreams take form art becomes life and the imagination knows no limits **Carnival** Harold Rhenisch,2000 Poet bioregional essayist and explorer of post colonial landscapes in decay and transition Harold Rhenisch combines his father s character with his own and in a series of luminous closely linked stories takes the reader on an emotional journey through humour joy heartbreak horror spiritual catastrophe and redemption to present a second look at history This is war from a child s eyes up close and personal from silly pranks to playing war games in the forest and finally to miracles of healing as the fabric of the world collapses and must be rebuilt Hansel his mother and their 16 year old Russian maid tend an escaped French P O W in their basement in a small town on the edge of the Black Forest during the Second World War During the Occupation this act simultaneously saves their lives and also brings them close to death as they attempt to save the innkeeper s daughter after a brutal rape by occupying Moroccan soldiers and the horrific punishment enacted upon them by the French command This story is not fiction It is the art of story telling that creates for us Hansel s fairytale village at once a magical world of mermaids witches carnival characters and eelfishers and also a sulfur choked brutalized wartime town The Canadian farmer who was Hansel returns to this German town to relive the dreams stories and terrors he experienced fifty years before In incandescent emotionally charged prose he seeks among the ruins of society to understand love and his place in the world as a man This is a powerful and captivating evocation of innocence and storytelling from one of Canada s master prose stylists
