Thinking 101 Ranka Mulkern,2009 Thinking is a blueprint for life experiences The quality of one s thinking to a large degree determines the quality of one s life It is not possible to improve life without making improvements in thinking and it is not possible to improve thinking without understanding the nature of the thinking process Thinking 101 provides a unique insight into the nature of the invisible process of thinking by offering visible models that simplify and facilitate observation and understanding of the activity of the mind that influences all aspects of human existence Thinking 101 addresses themechanics of thinking process when individual is alone or involved in the interaction with others and suggests simple steps that lead to dramatic improvement in its quality This inevitably leads to positive changes in life The brevity of this insightful and easy to read text assures its maximum impact Years of research study experimentation and testing of various conclusions have resulted with a condensed summary that is Thinking 101 Reading it will save years of work an un aided individual would put into research and study of or into sorting through an immense amount of existing literature on this complex subject matter Thinking 101 is a gift that will keep on giving for years after it has been read

Frege on Thinking and Its Epistemic Significance Pieranna Garavaso,Nicla

Vassallo,2014-11-12 Pieranna Garavaso and Nicla Vassallo investigate Gottlob Frege s notion of thinking das Denken to provide a new analysis of a largely unexplored area of the philosopher s work Confronting Frege s deeply seated and widely emphasized anti psychologism Frege on Thinking and Its Epistemic Significance claims that the objective human science that Frege proposed can only be possible through a nuanced notion of thinking as neither merely psychological nor merely logical Focusing on what Frege says about thinking in many passages from his works Garavaso and Vassallo argue that Frege was engaged with issues that are still alive in contemporary debates such as the definition of knowledge and the necessary role of language in conceptual thinking and in the expression of thoughts Frege on Thinking and Its Epistemic Significance is essential not only for those interested in a new and original reading of Frege s philosophy but also for anyone engaged in epistemology logic psychology philosophy of language and the history of analytic philosophy
