**Thoughts of the Heart** Tammy Robinson, 2013-01 Thoughts of the Heart is a collection of snapshots from my personal moments It was written to encourage every reader to have a good journey in spite of the difficult days you face It is an easy read and it offers practical points for dealing with everyday life The reflections are of poems prayers passions keepsakes and short stories It provides a variety of feelings expressed in a slightly poetic way It has an uncommon twist for reasoning with hidden thoughts It reveals them Wait I know there are some things that we must keep to ourselves and believe me I will We all know that many thoughts are better off left unsaid And we should constantly pray down the evil ones Nevertheless these thoughts are out And as you read you witness my love my inspiration my fears my tears my hopes my dreams and my desire to be open with you In fact I gift you with my found treasure In a nutshell this book reveals me in a uniquely different and real way I hope you will find comfort embrace love and become moved to action as much as I was compelled to write Ultimately I pray you will be inspired to believe that all things are possible through Jesus Christ think outside of the box of limits and become motivated to share the amazing gift that God has given you I encourage you to share your one of a kind self the self that you were created to share Straight from the heart We can t do anything about the past and we don t know what the future holds but we can decide to make the most of the precious moments that we have left And as you journey on to the end show the love make a difference and highlight your lessons learned then pass them on In the meantime remember to be simply you and to find positive and creative ways to express the desires of your heart Because keeping sentiments emotions and love pinned up inside aches the heart despairs the mind and keeps you from experiencing your many possibilities I trust that my perspective will somehow connect with your innermost thoughts and aspirations in one way or another I hope to spark a positive reaction within you that is unforgettable So fasten your seat belt and get ready to travel with me through some of my Memorable Moments one page at a time Please know I wish you well And whenever you need Christ He will always be there for you I promise
