

THE THOUSAND- MILE WAR World War II in Alaska and the Aleutians

The first full-scale history of the sole military campaign fought on North American soil in World War II. Based on Japanese and American sources. Profusely illustrated.

by Brian Garfield

Thousand Mile War

Wenbin Ji

Thousand Mile War:

The Thousand-Mile War Brian Garfield,2010-04-15 The Thousand Mile War is a powerful story of the battles of the United States and Japan on the bitter rim of the North Pacific that has been acclaimed as one of the great accounts of World War II Author Brian Garfield a novelist and screenwriter whose works have sold some 20 million copies was searching for a new story when he came upon this forgotten war in Alaska He found the history of the brave men who had served in the Aleutians so compelling that he wrote the first full length history of the Aleutian campaign The book remains a favorite among Alaskans and WWII history buffs The war in the Aleutians was fought in some of the worst climatic conditions on earth for men ships and airplanes The sea was rough the islands craggy and unwelcoming but the most fearful enemy was the weather the savage wind fog and rain of the Aleutian chain The fog seemed to reach even into the minds of the military commanders on both sides as they directed their men into situations with often had tragic results Frustrating befuddling and still the subject of debate the Aleutian campaign nevertheless marked an important turn of the war in favor of the United States More than half a century after the war ended more of the fog has been lifted In this updated edition Garfield supplements his original account drawn from statistics personal interviews letters and diaries with more recently declassified photographs and significant additional illustrations

Thousand-Mile War Brian Garfield,1981-12-01 **The thousandmile war** Brian Garfield,1969 **The Two Thousand Mile War** W. E. Crosskill,1980 A first hand critical account of one of the most important but least known campaigns of the Second World War that in East Africa and Abyssinia during 1940 41 While massive Italian forces remained there intact they were a threat to the left flank of the British army in the Western Desert Jacket PBY Roscoe Creed,1985 Modelers and others seeking explicit details on the PBY s design will especially appreciate the wealth of technical data and line drawings in the appendixes First published in 1985 this generously illustrated work is now back in print to reach a new audience of admirers of the sea plane Thousand Mile War Garfield, Robert,Brian Garfield,1971-06-12 *Conduct And Support Of Amphibious Operations From United States Submarines In World War II* LCDR Brian J. Haggerty USN,2015-11-06 The U S Navy is building Virginia class submarines and recently completed the conversion of four Ohio class submarines from Trident Ballistic Missile Submarines SSGN s to Guided Missile Submarines SSGNs The Virginia class is the first nuclear powered fast attack submarine SSN that shipyards designed with SOF capability without requiring conversion The SSGN conversion of the first four Ohio class submarines included substantial SOF capability These construction and conversion projects represent a significant investment in SOF and amphibious capabilities and they follow a long line of submarine conversions that began early in World War II By analyzing three World War II operations this monograph argues that knowing what actually happened in amphibious operations conducted and supported by American submarines in World War II provides valuable insight about the scope of capabilities challenges and benefits of submarines for these kinds of missions in naval warfare The first operation is an

amphibious raid on Makin Atoll The second involves the amphibious landings on the northwest Africa coast as part of Operation Torch The final operation includes the landings on Attu Island in the Aleutian chain **The Last Ridge** Mckay Jenkins,2007-12-18 When World War II broke out in Europe the American army had no specialized division of mountain soldiers But in the winter of 1939 40 after a tiny band of Finnish mountain troops brought the invading Soviet army to its knees an amateur skier named Charles Minot Minnie Dole convinced the United States Army to let him recruit an extraordinary assortment of European expatriates wealthy ski bums mountaineers and thrill seekers and form them into a unique band of Alpine soldiers These men endured nearly three years of grueling training in the Colorado Rockies and in the process set new standards for both soldiering and mountaineering The newly forged 10th Mountain Division finally faced combat in the winter of 1945 in Italy s Apennine Mountains against the seemingly unbreakable German fortifications north of the Gothic Line There they planned and executed what is still regarded as the most daring series of nighttime mountain attacks in U S military history taking Mount Belvedere and the sheer treacherous face of Riva Ridge to smash the linchpin of the German army s lines Drawing on unique cooperation from veterans of the 10th Mountain Division and a vast archive of unpublished letters and documents *The Last Ridge* is written with enormous warmth energy and honesty This is one of the most captivating stories of World War II a blend of *Band of Brothers* and *Into Thin Air* It is a story of young men asked to do the impossible and succeeding Alaska Claus-M. Naske,1987 History of the state of Alaska from early to contemporary times discussing its native peoples sale to the United States gold rush quest for statehood and oil boom *Into the Endless Mist* Michal A. Piegzik,2023-12-06 At the beginning of June 1942 in the wake of the enormous Japanese struggle to bring a conclusive victory in the Pacific War the Imperial Japanese Navy commenced Operation AL AL Sakusen Among the objectives of this bold plan was the 2nd Kid Butai s carrier borne strike on the American military base at Dutch Harbor and seizing part of the Aleutian Archipelago in the North Pacific Operation AL elaborated by the Navy General Staff and the Combined Fleet was an initiative that could expand the Japanese perimeter far eastwards to secure the northern approach to the home islands and prevent the potential of US Soviet military cooperation against Japan By conquering Attu and Kiska in the Aleutians the Japanese Army and Navy intended to turn them into bastions that supplied directly from the Kurile Islands would check any American advance from the north until at least the summer of 1943 The great disaster at Midway foiled the Japanese plan to create a greater defensive perimeter though ironically as a result of the same battle the Americans lacked the forces to reconquer the two lost islands A Japanese presence on US land remote on maps but seen as a natural highway to Alaska and America s back door also caused chaos among military personnel and politicians alike in Washington D C sharing the fear of an attack on the West Coast and the inability to predict Japanese intentions Volume 1 of *Into the Endless Mist* covers the events of Operation AL from the Japanese raid on Dutch Harbor and the invasion of Attu and Kiska to the American landing on Adak in late August 1942 and is illustrated throughout with original photographs along with the War

series signature color artworks *The Nation* ,1923 Torpedo War, and Submarine Explosions Robert Fulton,1914
