D. Russell,1976 Comparison of the original and the "Broadway version" of act three of Tennessee William's Cat on a hot tin roof Julian Hatzig,2013-03-19 Seminar paper from the year 2010 in the subject English Language and Literature Studies Literature grade 2 0 Ruhr University of Bochum language English abstract The play Cat on a hot tin roof by Tennessee Williams is one of the most popular plays in the history of the American theatre That play comes closest to being both a work of art and a work of craft Williams wrote in his Memoirs It is fact that Tennessee Williams liked Cat on a hot tin roof a little bit more than his other plays He liked it even more than A streetcar named desire which is often referred to as his best and most famous play You can argue about statement Cat on a hot tin roof being his best work but you will not be able to argue the success the play had away First played on March 24 1955 Cat on a hot tin roof won the Pulitzer Prize as well as the New York Drama Critics Circle Award as the best American play of the season It furthermore became Williams s longest running show ever with 692 performances What I will be dealing with subsequently is the most interesting aspect of the plays Broadway version To be more precisely my topic will be the third act of the play which is different compared to the original version First I will give a brief summary of the original version of the third act This will be followed by the naming of the similarities and the biggest differences between the two versions Then it is very important in my opinion to close answering some upcoming questions about the two versions of act three Who had the idea to change the third act for the performance on Broadway and Why did the changes take place and what were the ideas behind them I think with the help of my described approach I can cope with the task to compare the original and the Broadway version of Tennessee Williams Cat on a hot tin roof *The Biographic and Literary Sources of Three Tennessee Williams Plays* Sheryl F. Reese, 2017-06-06 *The Short Story in Midcentury America* provides in depth case studies of four major writers of the post World War II era Paul Bowles Mary McCarthy Eudora Welty and Tennessee Williams examining how they used the contained aesthetics of short fiction to map out an oppositional stance to the dominant narratives both political and literary of mid twentieth century U S culture Sam V H Reese presents a new understanding of the connections between politics ideology and literary form arguing that writers employed the short story to critique the cultural mores of the early Cold War The four authors under discussion found themselves socially marginalized by mainstream U S culture due to such factors as their gender sexual orientation religion and foreign residence Reese shows that each author embraced the short story s compressed form as a means of resisting political coercion and conformity speaking out in support of freedom and open expression Reese argues that these four writers used the formal restrictions of the short story to develop a type of fiction that became recognizably countercultural challenging the expansive sprawling novels then receiving acclaim from critics His analysis underscores the means by which each author s short stories utilized the aesthetic practices of mediums outside conventional narrative fiction Bowles s career as a composer McCarthy s criticism and memoirs Williams s playwriting and Welty s photography By studying both their prose and its conceptualization Reese reveals how writers resisted the political and stylistic pressures that defined U S literary culture in the early years of the Cold War In *The Short Story in Midcentury America* Reese establishes a new framework for considering countercultural literature in the United States reassessing the critical standing of the short story and re evaluating the relationship between marginal social positions and literary form during the mid twentieth century [Three Recurrent Elements Found in the Three-act Plays of Tennessee Williams](#) Betty Jeannine Groah, 1955 *Three Women of Tennessee Williams* Megan L.
