Three Dispensations Of Religion:

The Three Dispensations of the Bible John William Tyndall, 1904 **Three Dispensations of Religion** George W. Montandon, 1980-03-01 The Three Dispensations of the Bible (Classic Reprint) John W. Tyndall, 2017-05-17 Excerpt from The Three Dispensations of the Bible In the Bible there are three great divisions each representing what is called a dispensation the Patriarchal Jewish and Christian God has never had to change as some suppose in order to have these different dispensations They think because Paul said in Hebrews x1 ii Jesus Christ the same yesterday and to day and forever that if God gave His people a law and later changed that by giving another that God has changed They have the wrong conception of God 1 They should think of God at the time or before man was made here God knowing how man would disobey Him has in His own mind a scheme of redemption which would take man through three schools of training before man is as good as before the transgression Now these schools being arranged already just as soon as man sins God puts him in the lower school and when he has been cultured to the limit of this school God does not have to change to put him into a higher school for that had always been His purpose and when he finishes his training in the Second school God does not have to change to put him into the university This is the Way that God hath dealt with the human family and when we speak of God taking man out of one school and placing him into a higher not think that God has changed but is only accomplishing the one purpose which He had in the beginning The first school or dispensation lasted about twenty five hundred years from Adam to the giving of the law on Mount Sinai ex 20th chapter During this dispensation books were scarce in fact the commandments of the Lord were not written at this time We have no evidence that any part of the Bible was written before Moses which was about twenty five hundred years after the beginning So remember that while we live through this Dispensation we have no Bible and all the commandments we have are oral We know not just how many commandments God gave to those people but we will give here all the commandments that were put in the Bible when it was written We know not how Moses came to know what they were but God made them known to him in a way best suited to Himself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Church of Christ** Daniel Austen Sommer, 1913 **The First Three Kings of Israel** William Bruce, 1879 A Treatise on the Origin of Expiatory Sacrifice George Stanley Faber, 1827 **The Monthly Religious Magazine and Independent Journal**, 1858 **Report of the Commissioners of Religious Instruction, Scotland: Command papers ; Gen. index; Accts and papers. 1801-1852** Great Britain.
