Three Perspectives On Kundalini:

Three Perspectives on Kundalini Gopi Krishna,1994 **Yoga** Daren Callahan,2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since 1981 It includes entries for more than 2400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest *How I came to Sri Aurobindo* Sivakumar Elambooran, This memoir details the story of a sadhak practitioner of spirituality once a dyed in the wool agnostic who came to the practice of the Integral Yoga after a life altering spiritual experience in his twenty fourth year Ignorant of spiritual literature at that time he accepted conventional medical wisdom that put down the experience to a psychosomatic disorder He continued to coast along as an agnostic for about a decade after this experience believing all the while that medical attention was enough to manage the condition It was the contact with the Integral Yoga of Sri Aurobindo that awoke him to the reality of the goings on within Until this first exposure to Aurobindonian philosophy and psychology he had rejected the subjective truth of the realities of his inner experiences This was simply because these realities did not fit into the scheme of things that his rational mind could then construct This book begins with a brief description of the spiritual experience alluded to and goes on to explore the tensions between interpretations of it as a medical problem and as a turning point in a life appropriated for a larger purpose It is the author s hope that this book will be of use to those considering taking up a spiritual life Moreover it is for those diagnosed with psychosomatic disorders The author would have achieved one of his main aims if the work throws new light on people with psychosomatic disorders *Perspectives on the Sikh Tradition* ,1986 **Cataclysms?** Norma Hickox,1996-03 In the mid 80 s predictions of catastrophic earth changes surfaced and the word went out that our days on Earth were numbered Hickox too received such messages but then her visions began to change and she discovered that she was not seeing visions of the future but of the past Cataclysms a Must read for everyone concerned about the coming days of darkness **Walking Shadows** Tim Read,2019-05-30 There are certain unusual mental states that have such an extraordinary intensity that they are numinous they involve the presence of an archetype These states can be beautiful or utterly terrifying they can predispose to illness but if carefully negotiated they carry enormous potential for accelerated development This book is about these high intensity mental states as found in the psychiatric emergency room in everyday life in psychotherapy and in spiritual practice How can we understand this archetypal layer of psyche and how can we work with its power to promote psycho spiritual growth The author weaves the archetypal perspective into the psychoanalytic and medical models of mind to show us how the different layers of the individual and collective psyche intertwine to give us our

rich experience of being human Using everyday language and using case studies from clinical work in psychiatry and psychotherapy the author takes the reader on a journey from Breakdown to breakthrough Plato s cave to Jung s archetypal crisis Genetics to transpersonal psychology Hearing voices to post traumatic stress disorder Psychoanalysis to psychedelics The mid life crisis to the encounter with death Quantum physics to synchronicity Shakespeare to shamanism Transcendent nature to mindfulness *The Astrological Magazine* ,1996 **Spirituality and Management** Sanjeev P. Sahni,Tithi

Bhatnagar,Pankaj Gupta,2022-05-17 This book discusses the importance of integrating spirituality from diverse knowledge backgrounds to be effective in its everyday use Bringing together global experts in the field this book provides an extensive overview of the various spirituality and management themes models approaches and complexities The chapters in the book include deliberations upon wisdom from the Bhagwat Gita Buddha the impact of spirituality on good governance quality of life integrating ethics human values happiness meditation and linking of spirituality and management and their effect on leadership and workplace environment A thought provoking read for scholars students and policy makers this book provides an Indian perspective on managing spirituality at work This book is even more relevant in the post COVID 19 scenario as it focuses on the holistic development of people and organizations *Secret Body* Jeffrey J. Kripal,2022-12-22 An academic memoir addresses topics as diverse as Hindu Tantra Christian mysticism American counterculture and the history of the paranormal Los Angeles Review of Books Over the course of his twenty five year career Jeffrey J Kripal s study of religion has had two major areas of focus the erotic expression of mystical experience and the rise of the paranormal in American culture This book brings these two halves together in surprising ways through a blend of memoir manifesto and anthology drawing new connections between these two realms of human experience and revealing Kripal s body of work to be a dynamic whole that has the potential to renew and reshape the study of religion Kripal tells his story biographically historically and politically contextualizing each of the six books of his Chicago corpus from Kali s Child to Mutants and Mystics all the while answering his censors and critics and exploring new implications of his thought In the process he begins to sketch out a speculative new comparativism in twenty theses The result is a new vision for the study of religion one that takes in the best of the past engages with outside critiques from the sciences and the humanities and begins to blaze a new positive path forward A major work decades in the making *Secret Body* will become a landmark in the study of religion Kripal presents us with a compilation of theories cultural references and anecdotes making up an impassioned thesis about the future of religious studies and what human beings may become For all its eccentricities Kripal s work is playful engaging and original Times Higher Education [Ancient Wisdom and Modern Science](#) Stanislav Grof,1984-06-30 Recent advances in a variety of scientific disciplines have revealed the limitations of the Newtonian Cartesian model of the universe One of the interesting aspects of this development is the increasing convergence of science and the perennial philosophy The new research has led to a critical reevaluation of ancient spiritual systems long ignored or rejected because of their assumed incompatibility with
