Three Steps to Sanctity Albert Joseph Mary Shamon,2003-06-01 Nothing in life is worth so much as our becoming saints A powerful but simple little book on sanctity it explains the various virtues the twelve fruits of the Holy Spirit the beatitudes and how to win the struggle against our fallen human nature *Three Steps to Sanctity* Albert J. Shamon,1993 Nothing in life is worth so much as our becoming saints A powerful but simple little book on sanctity it explains the various virtues the twelve fruits of the Holy Spirit the beatitudes and how to win the struggle against our fallen human nature A *Monastic Introduction to Sacred Scripture* Thomas Merton,2022-10-27 Thomas Merton gave numerous conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani In A Monastic Introduction to Sacred Scripture Patrick F O Connell presents one of these a wide ranging introduction to biblical studies Drawing on church tradition teaching of recent papal documents and scholarly resources of the time Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners For Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving liberating consoling challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries how we are one with Jesus in them O Connell s extensive introduction situates this reflection in the context of Merton s evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council *The School of Sanctity* Frank Weston,1926 **Creating Sacred Places in First Century Corinth** Alisha N. Paddock,2025-06-29 This book applies spatial theories from human and cultural geography to the archaeological remains of Ancient Corinth in order to consider how sacred places could have been created in the first century Building on Philip Sheldrake s theory among others the book defines sacred place as a space with significance Significance is found in the group s spiritual history their identity and the proper behaviours required to keep the group remaining a group The book further argues that if any of these elements of place are not recognized nor upheld the group risks becoming placeless *The Crown of Sanctity* Daniel O'Connor,2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history This is probably something you should know about This book has been written to inform you about the transformation and to enable you to take part in it and hasten it But this transformation will not be achieved through human effort It will be given directly from Heaven by way of God s greatest Gift the Gift of Living in the Divine Will which is the Crown of Sanctity and which even now we must all strive to receive In this sanctity is found The
