

The background is a detailed landscape painting. It features a prominent mountain range with rugged, layered rock formations in shades of red, orange, and brown. The sky is filled with soft, hazy clouds in similar tones. In the foreground, a valley opens up with a mix of green grass and dark, rocky terrain. A small cluster of trees is visible on the left side of the valley. The overall mood is one of grandeur and natural beauty.

Three Cornered War:

The Three-Cornered War Megan Kate Nelson, 2020-02-11 Finalist for the Pulitzer Prize in History A dramatic riveting and fresh look at a region typically obscured in accounts of the Civil War American history buffs will relish this entertaining and eye opening portrait Publishers Weekly Megan Kate Nelson expands our understanding of how the Civil War affected Indigenous peoples and helped to shape the nation Library Journal starred review reframing the era as one of national conflict involving not just the North and South but also the West Against the backdrop of this larger series of battles Nelson introduces nine individuals John R Baylor a Texas legislator who established the Confederate Territory of Arizona Louisa Hawkins Canby a Union Army wife who nursed Confederate soldiers back to health in Santa Fe James Carleton a professional soldier who engineered campaigns against Navajos and Apaches Kit Carson a famous frontiersman who led a regiment of volunteers against the Texans Navajos Kiowas and Comanches Juanita a Navajo weaver who resisted Union campaigns against her people Bill Davidson a soldier who fought in all of the Confederacy's major battles in New Mexico Alonzo Ickis an Iowa born gold miner who fought on the side of the Union John Clark a friend of Abraham Lincoln's who embraced the Republican vision for the West as New Mexico's surveyor general and Mangas Coloradas a revered Chiricahua Apache chief who worked to expand Apache territory in Arizona As we learn how these nine charismatic individuals fought for self determination and control of the region we also see the importance of individual actions in the midst of a larger military conflict Based on letters and diaries military records and oral histories and photographs and maps from the time this history of invasions battles and forced migration shapes the United States to this day and has never been told so well Pulitzer Prize winning author T J Stiles

The Three-Cornered War Megan Kate Nelson, 2021-02-16 Finalist for the Pulitzer Prize in History A dramatic riveting and fresh look at a region typically obscured in accounts of the Civil War American history buffs will relish this entertaining and eye opening portrait Publishers Weekly Megan Kate Nelson expands our understanding of how the Civil War affected Indigenous peoples and helped to shape the nation Library Journal starred review reframing the era as one of national conflict involving not just the North and South but also the West Against the backdrop of this larger series of battles Nelson introduces nine individuals John R Baylor a Texas legislator who established the Confederate Territory of Arizona Louisa Hawkins Canby a Union Army wife who nursed Confederate soldiers back to health in Santa Fe James Carleton a professional soldier who engineered campaigns against Navajos and Apaches Kit Carson a famous frontiersman who led a regiment of volunteers against the Texans Navajos Kiowas and Comanches Juanita a Navajo weaver who resisted Union campaigns against her people Bill Davidson a soldier who fought in all of the Confederacy's major battles in New Mexico Alonzo Ickis an Iowa born gold miner who fought on the side of the Union John Clark a friend of Abraham Lincoln's who embraced the Republican vision for the West as New Mexico's surveyor general and Mangas Coloradas a revered Chiricahua Apache chief who worked to expand Apache territory in Arizona As we learn how these nine charismatic

individuals fought for self determination and control of the region we also see the importance of individual actions in the midst of a larger military conflict Based on letters and diaries military records and oral histories and photographs and maps from the time this history of invasions battles and forced migration shapes the United States to this day and has never been told so well Pulitzer Prize winning author T J Stiles **The Three Cornered War** John N. Dickinson,19?? [American Civil Wars](#) Alan Taylor,2024-05-21 A Kirkus Reviews Best Book of 2024 A masterful history of the Civil War and its reverberations across the continent by a two time Pulitzer Prize winner In a fast paced narrative of soaring ideals and sordid politics of civil war and foreign invasion the award winning historian Alan Taylor presents a pivotal twenty year period in which North America s three largest countries the United States Mexico and Canada all transformed themselves into nations The American Civil War stands at the center of the story its military history and the drama of emancipation the highlights Taylor relies on vivid characters to carry the story from Joseph Hooker whose timidity in crisis was exploited by Robert E Lee and Stonewall Jackson in the Union defeat at Chancellorsville to Martin Delany and Mary Ann Shadd Cary Black abolitionists whose critical work in Canada and the United States advanced emancipation and the enrollment of Black soldiers in Union armies The outbreak of the Civil War created a continental power vacuum that allowed French forces to invade Mexico in 1862 and set up an empire ruled by a Habsburg archduke This inflamed the ongoing power struggle between Mexico s Conservatives landowners the military the Church and Liberal supporters of social democracy led ably by Benito Juarez Along the southwestern border Mexico s Conservative forces made common cause with the Confederacy while General James Carleton violently suppressed Apaches and Navajos in New Mexico and Arizona When the Union triumph restored the continental balance of power French forces withdrew and Liberals consolidated a republic in Mexico Canada was meantime fending off a potential rupture between French speaking Catholics in Quebec and English speakers in Ontario When Union victory raised the threat of American invasion Canadian leaders pressed for a continent wide confederation joined by a transcontinental railroad The rollicking story of liberal ideals political venality and corporate corruption marked the dawn of the Gilded Age in North America *A Machine to Move Ocean and Earth* James Tejani,2024-07-23 Winner of the 2025 Bancroft Prize An enthralling debut a beguiling history of Southern California early industrial development and U S empire Publishers Weekly starred review A deeply researched narrative of the creation of the Port of Los Angeles a central event in America s territorial expansion and rise as a global economic power The Port of Los Angeles is all around us Objects we use on a daily basis pass through it furniture apparel electronics automobiles and much more The busiest container port in the Western hemisphere it claims one sixth of all US ocean shipping Yet despite its centrality to our world the port and the story of its making have been neglected in histories of the United States In *A Machine to Move Ocean and Earth* historian James Tejani corrects that significant omission charting the port s rise out of the mud and salt marsh of San Pedro estuary and showing how the story of the port is the story of modern globalized America itself By the mid nineteenth century Americans

had identified the West Coast as the republic's destiny a gateway to the riches of the Pacific In a narrative spanning decades and stretching to Washington DC the Pacific Northwest Civil War Richmond Southwest deserts and even overseas to Europe Hawaii and Asia Tejani demonstrates how San Pedro came to be seen as all important to the nation's future It was not virgin land but dominated by powerful Mexican estates that would not be dislodged easily Yet American scientists including the great surveyor George Davidson imperialist politicians such as Jefferson Davis and William Gwin and hopeful land speculators among them the future Union Army general Edward Ord would wrest control of the estuary and set the scene for the violence inequality and engineering marvels to come San Pedro was no place for a harbor Tejani reveals The port was carved in defiance of nature using new engineering techniques and massive mechanical dredgers Business titans such as Collis Huntington and Edward H Harriman brought their money and corporate influence to the task But they were outmatched by government reformers laying the foundations for the port for the modern city of Los Angeles and for our globalized world Interweaving the natural history of San Pedro into this all too human history Tejani vividly describes how a wild coast was made into the engine of American power A story of imperial dreams and personal ambition A Machine to Move Ocean and Earth is necessary reading for anyone who seeks to understand what the United States was what it is now and what it will be
