Three Day Road:

Three Day Road Joseph Boyden, 2006-04-25 Set in Canada and the battlefields of France and Belgium *Three Day Road* is a mesmerizing novel told through the eyes of Niska a Canadian Oji Cree woman living off the land who is the last of a line of healers and diviners and her nephew Xavier At the urging of his friend Elijah a Cree boy raised in reserve schools Xavier joins the war effort Shipped off to Europe when they are nineteen the boys are marginalized from the Canadian soldiers not only by their native appearance but also by the fine marksmanship that years of hunting in the bush has taught them Both become snipers renowned for their uncanny accuracy But while Xavier struggles to understand the purpose of the war and to come to terms with his conscience for the many lives he has ended Elijah becomes obsessed with killing taking great risks to become the most accomplished sniper in the army Eventually the harrowing and bloody truth of war takes its toll on the two friends in different profound ways Intertwined with this account is the story of Niska who herself has borne witness to a lifetime of death the death of her people In part inspired by the legend of Francis Pegahmagabow the great Indian sniper of World War I *Three Day Road* is an impeccably researched and beautifully written story that offers a searing reminder about the cost of war

Catching the Torch Neta Gordon, 2014-03-25 *Catching the Torch* examines contemporary novels and plays written about Canada's participation in World War I Exploring such works as Jane Urquhart's *The Underpainter* and *The Stone Carvers* Jack Hodgins's *Broken Ground* Kevin Kerr's *Unity 1918* Stephen Massicotte's *Mary's Wedding* and Frances Itani's *Deafening* the book considers how writers have dealt with the compelling myth that the Canadian nation was born in the trenches of the Great War In contrast to British and European remembrances of WWI which tend to regard it as a cataclysmic destroyer of innocence or Australian myths that promote an ideal of outsize masculinity physical bravery and white superiority contemporary Canadian texts conjure up notions of distinctively Canadian values tolerance of ethnic difference the ability to do one's duty without complaint or arrogance and the inclination to show moral as well as physical courage Paradoxically Canadians are shown to decry the horrors of war while making use of its productive cultural effects Through a close analysis of the way sacrifice service and the commemoration of war are represented in these literary works *Catching the Torch* argues that iterations of a secure mythic notion of national identity one that is articulated via the representation of straightforward civic and military participation work to counter current anxieties about the stability of the nation state in particular anxieties about the failure of the ideal of a national character

Carnivalizing Reconciliation Hanna Teichler, 2021-10-15 Transitional justice and national inquiries may be the most established means for coming to terms with traumatic legacies but it is in the more subtle social and cultural processes of memory work that the pitfalls and promises of reconciliation are laid bare This book analyzes within the realms of literature and film recent Australian and Canadian attempts to reconcile with Indigenous populations in the wake of forced child removal As Hanna Teichler demonstrates their systematic emphasis on the subjectivity of the victim is problematic reproducing simplistic narratives and

identities defined by victimization Such fictions of reconciliation venture beyond simplistic narratives and identities defined by victimization offering new opportunities for confronting painful histories National Plots Andrea Cabajsky, Brett Josef Grubisic, 2010-07-09 Fiction that reconsiders challenges reshapes and or upholds national narratives of history has long been an integral aspect of Canadian literature Works by writers of historical fiction from early practitioners such as John Richardson to contemporary figures such as Alice Munro and George Elliott Clarke propose new views and understandings of Canadian history and individual relationships to it Critical evaluation of these works sheds light on the complexity of these depictions The contributors in National Plots Historical Fiction and Changing Ideas of Canada critically examine texts with subject matter ranging from George Vancouver's west coast explorations to the eradication of the Beothuk in Newfoundland Reflecting diverse methodologies and theoretical approaches the essays seek to explicate depictions of the historical in individual texts and to explore larger questions relating to historical fiction as a genre with complex and divergent political motivations and goals Although the topics of the essays vary widely as a whole the collection raises and answers questions about the significance of the roles historical fiction has played within Canadian culture for nearly two centuries **Three Day Road** Joseph Boyden, 2005 It is 1919 and Niska an Oji Cree medicine woman has left her home in the bush of northern Ontario to receive Xavier Bird her only relation who has returned from the trenches of Europe Gravely wounded and addicted to morphine Xavier recounts how he and his best friend Elijah Whiskeyjack prowled the battlefields as snipers of enormous skill and how the circumstances of their deadly craft led them to very different fates Told with unblinking focus this is a stunning tale of brutality survival and rebirth that marks the arrival of a prodigious new talent From the bookjacket

Summarized and Analyzed: Three Day Road Student World, 2017-06-16 Before telling about the novel it is important to note that Joseph Boyden the author of the present novel had grown up listening to the war stories from his maternal grandfather and an uncle from his father's side Both of these relatives had fought in the First World War and they had several stories to tell The author's father was also a Second World War veteran and he had many stories to tell his son The present novel according to the author draws upon several family narratives **The Daily News Almanac and Political Register for ...**, 1925 *More of This World or Maybe Another* Barb Johnson, 2009-09-30 The lives of four unlikely friends intersect on the backstreets of New Orleans Living amid poverty and violence these fragile heroes of the American underclass redefine our notions of family redemption and love *Three Day Road* Joseph Boyden, 2006-04-25 Set in Canada and the battlefields of France and Belgium *Three Day Road* is a mesmerizing novel told through the eyes of Niska a Canadian Oji Cree woman living off the land who is the last of a line of healers and diviners and her nephew Xavier At the urging of his friend Elijah a Cree boy raised in reserve schools Xavier joins the war effort Shipped off to Europe when they are nineteen the boys are marginalized from the Canadian soldiers not only by their native appearance but also by the fine marksmanship that years of hunting in the bush has taught them Both become snipers renowned for their uncanny accuracy But while

Xavier struggles to understand the purpose of the war and to come to terms with his conscience for the many lives he has ended. Elijah becomes obsessed with killing, taking great risks to become the most accomplished sniper in the army. Eventually, the harrowing and bloody truth of war takes its toll on the two friends in different profound ways. Intertwined with this account is the story of Niska, who herself has borne witness to a lifetime of death, the death of her people. In part inspired by the legend of Francis Pegahmagabow, the great Indian sniper of World War I, *Three Day Road* is an impeccably researched and beautifully written story that offers a searing reminder about the cost of war. *New York Court of Appeals.
