*Threshold* Gregory Sarno, 2005-05 Not everyone enjoys a globe hopping lifestyle la Indiana Jones and 007 or endures the emotional peaks and valleys of a Scarlett O Hara or Blanche Dubois But most of us do come of age sooner or later which makes it easy to relate to the pivotal events involved in growing up First crush Dawn of sex drive Loss of virginity Breakup with sweetheart Senior prom Graduation day Going off to college In like vein we re all familiar with the issues confronting adolescents Forging an identity Fitting in Handling peer pressure Bonds bounds of friendship Erosion of childhood illusions Bridging the generation gap Leaving the nest *Threshold Scripting a Coming of Age* offers film buffs and prospective screenwriters insights into the essential elements Chapter 1 develops the four cornerstones of all scripts irrespective of genre Chapter 2 covers the genre s distinctive features Chapter 3 analyzes one classic coming of age in depth *River s Edge* Inspired by actual events the 1987 film confronts its seventeen year old protagonist with a daunting threshold rarely encountered by mature adults The book debuts three feature film screenplays *Homies* *What Up Dawg* *What Are Brothers For* The respective protagonists 13 19 21 face age appropriate challenges involving peer pressure authority figures and post graduation blues

**The Thriller** Gregory G. Sarno, 2006-11-28 *The Thriller Scripting Seat Gripping Suspense* plumbs nine score thrillers for recurring features that build nape prickling heart pounding suspense Fodder for analysis embraces domestic and foreign fare classic and contemporary ranging from *Ghost Speed Seven Psycho* and *The Silence of the Lambs* to *La Femme Nikita* and *Yogen Premonition* Text eschews a connecting the dots painting by numbers approach in belief that formulas drain the lifeblood of creativity and inevitably spawn a ho hum product That said the eight factors culled from the covered films constitute useful tools in the screenwriter s arsenal Perhaps the best groundwork for a thriller is infiltrating the ATF FBI IRA or a brigade of arms running mercenaries Short of that watching films and reading scripts will work wonders In that spirit the book debuts three feature film scripts for critical scrutiny *mystery thriller Stateline* *police thriller Cashing Out* *supernatural thriller Birthmarks*

**Lights! Camera! Action!** Gregory G. Sarno, 2005 *Action action yet more action* No action film worthy of genre would be caught dead without its fair share of red hot lead and no holds barred fisticuffs high octane pursuits and gravity defying gymnastics Then again nonstop action soon wears thin absent a rooting interest in *Last Man Standing* *First Woman to Cross Finish Line* Rooting interest inheres not in overt action no matter how artfully choreographed or breathtakingly executed Rather rooting interest comes from empathy for the protagonist and more precisely from the dramatic action embodied by the protagonist s struggle to accomplish a worthy goal opposed by a formidable foe Action is a double edged blade overt action being a necessary but insufficient condition to sustain viewer interest which soars and ebbs to extent that dramatic action intersects with injects meaningfulness into gunplay and fistfest acrobatics and pyrotechnics *Lights Camera Action* spotlights the essential elements of action comedy action romance and action adventure It underscores the crucial distinction between overt and dramatic action which a screenwriter must weave

together in order for an action script to hum and shimmer pulsate and zing      **When Johnny Comes Marching Home Again** Littlebear Productions,2005-08-08 When Johnny Comes Marching Home Again spotlights the stories of three soldiers in three wars Three soldiers Each someone s Johnny Father son Brother cousin Husband lover Just plain buddy Three conflicts Civil War pitting brother against brother North against South Yank against Johnny Reb Vietnam War North South strife with Orwellian overtones War on Terror Afghanistan theater Three life and death stories in screenplay format Owl Creek Bridge based on the Civil War stories of Ambrose Bierce and expanded to feature film length by incorporating the Siege of Vicksburg Sleeping With Charlie adapted from the author s short story Cu Chi Dawn s Early Light P O W drama inspired by a Leo Tolstoy tale and a cinematic rendition thereof by Sergei Bodrov Senior      **A Director's Analysis and Production Script for Les Mouches (The Flies) by Jean-Paul Sarte** Gerald S.
