Thriller Prediction:

The Prediction Darren Sugrue, 2013-06-01 Nobody knows the day they'll die until now. Mathematical genius Daniel Geller has developed a formula to predict a person's date of death only to have it rejected by the faculty at Trinity College. Totally devastated, he turns his back on the world he once loved. Twelve years on, Daniel's old professor John Redmond and his wife are coming to terms with the death of their ten-year-old son. Could Daniel's formula have predicted his death? Revisiting the thesis, the professor makes an astonishing discovery out of the five fellow students whom Daniel used the formula on: one of them died on the exact date predicted by Daniel. One more is due to die in six days. Daniel's ex-lover Grace. The professor draws Daniel back into the world of mathematics where he is suddenly faced with the dilemma of allowing someone he once loved to die to be one step closer to proving his thesis and enjoying a prestige he once dreamed of. Set in the vibrant cities of Dublin and Amsterdam, *The Prediction* is a powerful story about coping with shattered dreams, the loss of a loved one, and an illustration of just how unpredictable the human heart can be. <http://www.darrensugrue.com>

PRAISE FOR THE PREDICTION Once you get hooked, you won't want to put the book down. ALLISON JAMES There is something brilliant and enticing about a novel where one of the central conflicts is that you very much want for two mutually exclusive things to happen. ANNE DOUCETTE I loved this book. It was emotionally intense, suspenseful, and so very touching and beautiful. At the end, I cannot remember the last time a book brought me to tears. JUDY SCHECHTER First Time Author Darren Sugrue hits the mark with a 5-star novel. This book is awesome. L. FRIER The ending twist was just genius. I feel this is one of the few books anyone would enjoy, no matter whether you are a romantic, thriller, horror, or sci-fi reader. GADGET GIRL REVIEWS Filled with suspense, peppered with a bit of romance, and softened by tragedy, it is one of the best crime novels I have ever read. You will not hear this from me very often. This is a must-read. Readers of all genres unite. ANCA REVIEWS WITH A TWIST BLOG Heart-pounding suspense, lost love.
