*Thrillers, Chillers, and Killers* Frank Krutnik, 2025-05-13 Film noir is one of the most exciting and most debated products of studio era Hollywood but did you know that American radio broadcast many programs in the noir vein through the 1940s and 1950s These included adaptations of such well known films as *The Maltese Falcon* *Murder My Sweet* and *Double Indemnity* detective series devoted to the adventures of private eyes Philip Marlowe and Sam Spade and the spine tingling anthology programs *Lights Out* and *Suspense* *Thrillers Chillers and Killers* is the first book to explore in detail noir storytelling on the two media arguing that radio's noir dramas played an important role as a counterpart to influence on or a spin off from the noir films Besides shedding new light on long neglected radio dramas and a medium that was cinema's major rival this scrupulously researched yet accessible study also uses these programs to challenge conventional understandings of the much debated topic of noir

*Thrillers, Chillers & Killers* Helen Hoke, 1979-01-01 **Silent Ties (A DI Geraldine Steel Thriller Book 24)** Leigh Russell, 2026-02-26 Geraldine's judgment is sharp But this case cuts deeper than most When Peter Selby vanishes after reporting a suspicious encounter few take notice until a man is found brutally stabbed in a quiet York suburb Detectives Geraldine Steel and Ariadne Croft begin to investigate but what looks like a random act of violence soon unravels into a dark and deeply personal mystery As they dig into the lives of the victims the emotional landscape grows increasingly fractured Peter's wife is guarded their daughter erratic and angry The second victim's family are cold evasive and seemingly determined to keep the past buried Then a second disappearance throws everything into chaos With each revelation the detectives uncover layers of resentment betrayal and psychological trauma lurking behind the neat facades of domestic life Under mounting pressure and with Ariadne in growing danger Geraldine must navigate a maze of fractured relationships and shifting motives before the killer strikes again Taut unsettling and emotionally charged this psychological crime thriller exposes the darkness beneath the surface and the human cost of secrets left to fester

*Thrillers, Chillers, and Killers* Frank Krutnik, 2025 *Thrillers Chillers and Killers* is the first book to explore in detail noir storytelling in cinema and on radio Arguing that radio's noir dramas were a counterpart to influence on or a spin off from the noir films this scrupulously researched yet accessible study challenges conventional understandings of noir as well as shedding new light on a medium that was cinema's major rival

victim The young woman has earth and leaf mould and fragments of twigs in her long fair hair her nose her mouth under her finger nails clinging to her clothes It s as if she d been completely encased in earth And yet she was found on the pavement at the side of a suburban road where she wasn t in contact with any soil or mud Had she managed to escape a living grave She needs to find out what really happened Where did the assault occur Why are there traces of DNA from two other unidentified sources on the body What reason could there be to attack a popular young woman who never did anyone any harm And why bury her body so carelessly that she was able to escape Then another young woman is reported missing Unless he has an accomplice they have an innocent man in custody And Steel is running out of time A page turning puzzle of a case with an unexpected final twist If you re a fan of Angela Marsons Mel Sherratt and Karin Slaughter you ll love Leigh Russell Can be read as a stand alone *Trap* Lilja Sigurðardóttir, 2018-08-30 When Sonja s son is kidnapped by her ruthless ex husband she s thrust back into the world of cocaine smuggling but this time she s got a plan of her own High stakes jeopardy presides in book two of the dark and original nail biting fast paced Reykjavik Noir trilogy Tense edgy and delivering more than a few unexpected twists and turns Sunday Times Tough uncompromising and unsettling Val McDermid Tense and pacey this intriguing mix of white collar and white powder crime could certainly be enjoyed as a standalone but I would suggest reading its excellent predecessor Snare first Guardian Happily settled in Florida Sonja believes she s finally escaped the trap set by unscrupulous drug lords But when her son Tomas is taken she s back to square one and Iceland Her lover Agla is awaiting sentencing for financial misconduct after the banking crash and Sonja refuses to see her And that s not all Agla owes money to some extremely powerful men and they ll stop at nothing to get it back With her former nemesis customs officer Bragi on her side Sonja puts her own plan into motion to bring down the drug barons and her scheming ex husband and get Tomas back safely But things aren t as straightforward as they seem and Sonja finds herself caught in the centre of a trap that will put all of their lives at risk Set in Reykjavik still covered in the dust of the Eyjafjallaj kull volcanic eruption and the aftermath of the banking crisis *Trap* is an award winning deliciously dark and outstandingly original slice of Nordic Noir from one of Iceland s finest crime writers Praise for the Reykjavik Noir Trilogy A tense thriller with a highly unusual plot and interesting characters Marcel Berlins The Times With characters you can t help sympathising with against your better judgement Sigurdardottir takes the reader on a breathtaking ride Stylish taut and compelling Jon Coates Daily Express Pacey and tense *Trap* is full of delicious carnage that could translate well to the screen New Zealand Listener This is a searing portrait of the less salubrious parts of the Icelandic psyche as well as a riveting thriller Sunday Express Sharp shocks of chapters hit with increasing energy a towering powerhouse of read and I gobbled it up in one intense sitting LoveReading The intricate plot is breathtakingly original with many twists and turns you never see coming Thriller of the year New York Journal of Books The action is fast helped by the short chapters switching us from one set of characters to another the villains ruthless and the undercover world of Iceland vividly evoked A treat for fans Promoting Crime Smart
