Engineering and Contracting, 1914 **Engineering & Contracting**, 1914 *Shooting Scripts* Bob Herzberg, 2005-04-07 In their heyday pulp westerns were one of America's most popular forms of entertainment. Often selling for less than 50 cents, the paperback books introduced generations to the exploits of Billy the Kid and Jesse James, brought to life numerous villains usually named Black something, e.g. Black Bart and Black Pete, and created a West that existed only in the minds of several talented writers. It was only natural that filmmakers would look to the pulps for stories, adapting many of the works for the big screen and shaping the Western film genre. The adaptations of seven of the pulps' best writers, Ernest Haycox, Luke Short, Frank Gruber, Norman A. Fox, Louis L. Amour, Marvin H. Albert, and Clair Huffaker, are analyzed here. Insightful and humorous, the work looks at how the pulp novels and the movie adaptations reflected the times in which they were produced. It examines the clichés that became a part of the story: the rescue of the heroine, the gunfights, the evil banker or rancher ready to steal the land of the good law-abiding citizens, and the harlot with a heart of gold. A critical examination of how the books were interpreted or frequently misinterpreted by filmmakers is included, along with commentary on the actors and directors who put the pulps on screen.

The Valdez Horses Lee Hoffman, 1999 Chino Valdez was ugly, withdrawn, a devil when drunk, but everyone respected his ability as a horseman. No man knew breeding and training the way Valdez did. But even though he was to win the adoration of a young boy, and even if he could tame the wildest stallion, there was one thing he could not control: the love of a woman he could never have.

Charles Bronson Michael R. Pitts, 2015-09-17 This work covers Bronson's entire output in film and on television and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits, and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson has the strongest face in the business, and he is also one of its best actors. Pretty high praise for an actor who, though loved by fans worldwide, has been consistently underestimated by critics. Bronson's career has spanned five decades, from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza*, and *Have Gun Will Travel*, as well as the telemovie *A Family of Cops* (1995) and its two sequels. He will long be remembered for his role as urban vigilante Paul Kersey in the *Death Wish* films. Bronson is one of the most enigmatic and also most recognizable of all film stars.
