## Valor At Polebrook:

**Valor at Polebrook** Rick School, Jeff Rogers, 2000      **Steel Fortress** Michael Sargent Martin, 2014-01-31 Steel Fortress is a story of survival about a flyboy aboard a B 17 bomber who is catapulted into the extraordinary experience of flying the heavies in the never to be replicated arena of World War II air combat He flies the gauntlet of Germany's defensive network in 1944 battling the demons of war in the European Theater and also in his mind It is a commentary on the totality of the human experience of war from the brutal realities of combat to the internal battle that goes on within each individual survivor On a cold February morning in 1944 Harold leaves his new bride at an Iowa train platform and embarks on a stark and riveting journey where camaraderie is the key to survival and loss is the lesson learned Heroism combined with humanism drives this compelling saga of the human spirit at its most triumphant and most vulnerable Steel Fortress joins ranks with the most poignant of commentaries on war it is a story for the ages and evidence of the universal spirit of man
