Values In Social Policy Nine Contradictions:

Values in Social Policy Jean Hardy, 2022-11-30 First published in 1981 Values in Social Policy provides a means towards understanding the conflicts contradictions and uncertainties involved in working in a welfare state In the nine chapters Jean Hardy explores the conflicting values posed within nine contradictions authority versus liberation for example or the personal versus the political equality versus freedom bureaucracy versus professionalism The author demonstrates how values can be contrasted with their supposed opposites she traces the roots of the different values and in so doing sets out a clear and original account of the issues involved when choices have to be made and decision taken This book will be of interest to students of sociology social policy and economics *Social Work Values* Noel Timms, 2018-11-09 Originally published in 1983 Social Work Values is a sustained enquiry about the present situation of social work It describes the treatment of social work values in the social work literature and in research and pursues three distinct avenues towards an improvement on the present unsatisfactory treatment First the book introduces and encourages more philosophical reflection on the customary lists of social work values Second it investigates three social work controversies between the Charity Organisation Society and the Socialists between the Functionalist and the Diagnostic schools of social work and between radical Marxists and the rest Third and finally it explores the treatment of value and values in economics sociology ordinary usage and philosophy in order to establish the distinctive elements to which the term values is applied **Ideologies of Caring** Gillian Dalley, 1996-06-27 Community care has long been the preferred policy for caring for dependent people This book first published in 1988 challenges accepted ideas about community care arguing that it is based on assumptions about an ideal model of family life which in practice disadvantages both disabled and older people and women carers alike New to this Edition Takes full account of major developments in community care since 1988 Draws on an eclectic range of feminist historical and ethnographic sources Proposes alternative and collective approaches to caring Understanding Community Librarianship Alistair Black, David Muddiman, 2017-09-29 In the information society is the community focused library a real possibility This book reappraises the relationship between the library and its communities through an examination of the rise and decline of community librarianship over the last three decades The authors consider key models of community based library service and argue that bland assertions of community prevalence mask a complex and problematic relationship between a highly traditional public service bureaucracy and its users The resulting uncertainty of purpose they claim explains much of the current crisis of the public library movement Drawing on recent social science theory and empirical work in the field this book offers a new and critical perspective on the current public library debate It is essential reading for librarians students of information and library science and all who have a stake in the future of the public library As a case study of community public service and the local state it should also be of value to those with an interest in community development cultural policy and local government The Sociology of the Health Service Michael Bury, 2002-09-11 Until

now little attention has been paid by sociologists to health policy issues The Sociology of the Health Service provides an analysis of current policy and covers such topics as privatisation health education and management
