

The authors suggest several ways to try to understand and use the rapidly changing environment better to manage it. These include: (1) increase the capacity of global civil society through the adoption of democratic, rule-of-law thinking and a shared commitment; (2) use the growing power of transnational networks to support these efforts; and (3) support the development of a new global governance system.

Big groups make meeting them just as much dangerous, but it means different things to each of us, and speaking to some groups is simpler. By connecting the two chapters and thinking about how to connect to them, it's not just a matter of the size of the group, but the degree of safety and belonging between the members that is essential to the connection.

[illegible]The image shows the front cover of a manual. The title "VALVE & ACTUATOR" is printed in large, bold, black capital letters. Below it, the words "Users' MANUAL" are written in a stylized, red, cursive font. In the top right corner, there is a small logo for "BVA" with the text "BVA" in blue and "BVA" in red. The background of the cover is a light beige color with a subtle pattern.
