Citro,2020-06-01 To outsiders the deep impenetrable forest that blankets Vermont s Green Mountains gives the state its peaceful and verdant mystique but those same dark woods hide a secret from pre history that reaches menacingly into the present Joseph A Citro s widely read publications about the more haunting history legends and lore of New England have earned him a reputation as an expert on themes of the

supernatural In this book first published in 1987 however he deftly melds real life ancient ruins a keen eye for the social fabric of small town Vermont and a soaring imagination to fashion a gripping tale of a family s life or death struggle to save their farm from an enemy far more devastating than banks taxes or land developers Eric Nolan is a man already too familiar with death His brother s long ago disappearance the loss of his parents and his wife s recent demise in an auto accident have left him near the edge physically and emotionally In desperation he returns to his boyhood haunt the family farm in rural Antrim Vermont now occupied by his cousin Pamela her husband Clint and Luke their four year old son But any solace Eric might find there is short lived Something terrible is going on in the woods on Pinnacle Mountain and it seems to be centered around a mysterious stone structure that a local historian believes may be the relic of an ancient race The mystery deepens as people begin to vanish one by one first a village policeman then a local hermit a researcher and finally Clint himself As baffling and violent incidents continue it becomes harder to deny that a powerful and malevolent force is at work in the Green Mountains a force that has targeted young Luke Though it defies Eric s every rational instinct he must ultimately confront a reality he can neither accept nor deny As he and the others struggle to quell the rising tide of evil the siege escalates to a brutal battle for life itself Citro twists every shock possible out of this finely crafted gothic thriller that tests the limits of legend and belief
