William Burroughs An Essay:

The Adding Machine William S. Burroughs, 2013-10-14 Sheer pleasure Wonderfully entertaining Chicago Sun Times Acclaimed by Norman Mailer more than twenty years ago as possibly the only American writer of genius William S Burroughs has produced a body of work unique in our time In these scintillating essays he writes wittily and wisely about himself his interests his influences his friends and foes He offers candid and not always flattering assessments of such diverse writers as Ernest Hemingway F Scott Fitzgerald Joseph Conrad Graham Greene Jack Kerouac Allen Ginsberg Samuel Beckett and Marcel Proust He ruminates on science and the often dubious paths into which it seems intent on leading us whether into outer or inner space He reviews his reviewers explains his famous cut up method and discusses the role coincidence has played in his life and work As satirist and parodist William Burroughs has no peer as these varied works written over three decades amply reveal William Burroughs Alan Ansen, 1986 **The Adding Machine** William S. Burroughs, 1985

William S. Burroughs at the Front Jennie Skerl, Robin Lydenberg, 1991 Jennie Skerl and Robin Lydenberg have selected twenty five critical essays on Burroughs that reflect the historical reception of his work both positive and negative decade by decade and that represent the best essays written about him The essays cover Burroughs major novels including the cut up and new trilogies the censorship issue and his work in film and painting The chronological organization brings into critical focus the shift from moral questions raised by the novels content through examinations of Burroughs relationship to humanism and modernism and finally to more focused literary and linguistic issues In their introduction the editors survey the progress of Burroughs critical reception and examine the reasons for the varied and intense responses to the work and the theoretical assumptions behind those responses The reviewers include prominent figures such as Mary McCarthy and Marshall McLuhan as well as major academic critics such as Cary Nelson Tony Tanner and Ihab Hassan

Burroughs Unbound S. E. Gontarski, 2021-11-18 In addition to contributing significantly to the growing field of Burroughs scholarship Burroughs Unbound also directly engages with the growing fields of textual studies archival research and genetic criticism asking crucial questions thereby about the nature of archives and their relationship to a writer s work These questions about the archive concern not only the literary medium In the 1960s and 1970s Burroughs collaborated with filmmakers sound technicians and musicians who helped re contextualized his writings in other media Burroughs Unbound examines these collaborations and explores how such multiple authorship complicates the authority of the archive as a final or complete repository of an author s work It takes Burroughs seriously as a radical theorist and practitioner who critiqued drug laws sexual practice censorship and what we today call a society of control More broadly his work continues to challenge our common assumptions about language authorship textual stability and the archive in its broadest definition

The Art of Seeing Things John Burroughs, 2001 A collection of essays by noted naturalist John Burroughs in which he contemplates a wide array of topics including farming religion and conservation A departure from previous John Burroughs anthologies this volume celebrates the surprising range of his writing to include religion philosophy conservation and farming In doing so it emphasizes the process of the literary naturalist specifically the lively connection the author makes between perceiving nature and how perception permeates all aspects of life experiences
