William Ellery Channing An Intellectual Portrait:

William Ellery Channing, an Intellectual Portrait David P. Edgell, 1955 William Ellery Channing David P. Edgell, 1955 **The Making of American Liberal Theology** Gary J. Dorrien, 2001-01-01 This text identifies the indigenous roots of American liberal theology and uncovers a wider longer running tradition than has been thought Taking a narrative approach the text provides a biographical reading of important religious thinkers of the time The Spirit of American Liberal Theology Gary Dorrien, 2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U S American tradition of liberal theology A highly condensed and far more accessible summary of Gary Dorrien s three volume trilogy The Making of American Liberal Theology Westminster John Knox Press 2001 2003 and 2006 Dorrien here presses the argument that the most abundant diverse and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself While discussions of English and German liberalism persist new material includes expanded treatment of the Black social gospel the Universalists developments into early 2020s and a robust expression of the author s post Hegelian liberal liberationist perspective **Hume's Reception in Early America** Mark G. Spencer, 2017-02-23 Hume s Reception in Early America Expanded Edition brings together the original American responses to one of Britain s greatest men of letters David Hume Now available as a single volume paperback this new edition includes updated further readings suggestions and dozens of additional primary sources gathered together in a completely new concluding section From complete pamphlets and booklets to poems reviews and letters to extracts from newspapers religious magazines and literary and political journals this book s contents come from a wide variety of sources published in colonial America and the early United States between 1758 and 1850 As well as classics by Thomas Jefferson John Adams and Alexander Hamilton it contains scores of unknown and hard to locate items many of which have not been reprinted since their original publication These responses are divided into four parts covering Hume s Essays his Philosophical Writings his History of England and his Character and Death Each of those parts has a separate introductory essay and every selection is introduced by a short headnote that sets the piece in its historical context and provides bibliographical references Packed with new insights into Hume and American thought and culture Hume s Reception in Early America reveals the relevance and impact of Hume on American political philosophical historical religious and aesthetic debates **Writers of the American Renaissance** Denise Knight, 2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and

writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and primary and secondary bibliographies

The Religion of Democracy Amy Kittelstrom,2016-04-05 A history of religion s role in the American liberal tradition through the eyes of seven transformative thinkers Today we associate liberal thought and politics with secularism When we argue over whether the nation s founders meant to keep religion out of politics the godless side is said to be liberal But the role of religion in American politics has always been far less simplistic than today s debates would suggest In *The Religion of Democracy* historian Amy Kittelstrom shows how religion and democracy have worked together as universal ideals in American culture and as guides to moral action and to the social practice of treating one another as equals who deserve to be free The first people in the world to call themselves liberals were New England Christians in the early republic Inspired by their religious belief in a God given freedom of conscience these Americans enthusiastically embraced the democratic values of equality and liberty giving shape to the liberal tradition that would remain central to our politics and our way of life *The Religion of Democracy* re creates the liberal conversation from the eighteenth century to the twentieth by tracing the lived connections among seven transformative thinkers through what they read and wrote where they went whom they knew and how they expressed their opinions from John Adams to William James to Jane Addams from Boston to Chicago to Berkeley Sweeping and ambitious *The Religion of Democracy* is a lively narrative of quintessentially American ideas as they were forged debated and remade across our history

Literary Transcendentalism Lawrence Buell,1973 Broader in scope than any previous literary study of the transcendentalists this rewarding book analyzes the theories and forms characteristic of a vital group of American writers as well as the principles and vision underlying transcendentalism All the movement s major literary figures and forms are considered in detail Lawrence Buell combines intellectual history and critical explication giving equal attention to general trends and to particular works and individuals His chapters on conversation religious discourse catalog rhetoric and literary travelogue treat intensively topics that have been relatively neglected His analyses of Ellery Channing s poetry and the use of persona in Emerson and Very are also innovative In the final section he offers the first systematic account of the autobiographical tradition in transcendentalist writing This incisive and sympathetic overview of transcendentalist writing and thought will attract readers interested in

American culture and it will suggest new critical approaches to nonfiction The Strains of Eloquence Wesley T. Mott, 1989 The sermons of Ralph Waldo Emerson were central to his emergence as thinker and writer This is the first extended study of the formative role of these long neglected documents Wesley Mott explores major topics and issues in Emerson scholarship his vocational self image the significance and meaning of such quintessentially Emersonian concepts as self reliance the over soul and compensation his sense of language his vision of America his relation to Puritanism Emerson s aphorisms taken out of context have enabled readers of every stamp to enlist him in their cause Reformers on the one hand have claimed him as a prophet of social change while on the other hand Henry Ford and Woody Hayes have found him a champion of conservative American values These seemingly contradictory elements can be reconciled in large part by an understanding of Emerson s roots in liberal Christianity and of his lifelong religious habits of mind Instead of regarding Emerson s career as a series of distinct stages as Stephen Whicker did in *Freedom and Fate* Mott emphasizes the essential continuity of his growth David Robinson has so viewed Emerson s career as preacher and lecturer in *Apostle of Culture* 1982 Mott s study emphasizes the dynamics of specific sermons mostly previously unpublished and their role in shaping Emerson s understanding of major issues in his life of the mind The book anticipates publication of *The Complete Sermons of Ralph Waldo Emerson* to be issued by the University of Missouri Press 1989 92 *The Encyclopedia of Philosophy* Paul Edwards, 1972 V 1 2 Abbagnano to entropy V 3 4 Epictetus to logic V 5 6 Logic to psychologism V 7 8 Psychology to Zubiri Index V 9 Supplement A Z cumulative index ed by Donald M Borchert **Cotton Versus Conscience** Kinley J. Brauer, 1967 **Party of the Center** John G. Sproat, 1959 **The New England Transcendentalists and the Dial** Joel Myerson, 1980 The Dial was a journal published in Boston from July 1840 through April 1844 by the American Transcendentalists and edited by Margaret Fuller Ralph Waldo Emerson George Ripley and Henry David Thoreau This book is the only full length study of the Dial available

In the digital age, access to information has become easier than ever before. The ability to download William Ellery Channing An Intellectual Portrait has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download William Ellery Channing An Intellectual Portrait has opened up a world of possibilities. Downloading William Ellery Channing An Intellectual Portrait provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading William Ellery Channing An Intellectual Portrait has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download William Ellery Channing An Intellectual Portrait. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading William Ellery Channing An Intellectual Portrait. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading William Ellery Channing An Intellectual Portrait, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download William Ellery Channing An Intellectual Portrait has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
