narratives of the tour in France and Switzerland the visit to Germany and all the comings and goings in England and Wales before the first settlement with Dorothy at Racedown are clearly unfolded With great care Mrs Moorman has unravelled and dated the biographical content of The Prelude and other poems Wordsworth s last years were given over partly to tinkering his poems as the family called his compulsive and persistent habit of revising his earlier poems through edition after edition The Prelude for instance went through four distinct manuscript versions and was published only after the poet s death in 1850 Wordsworth succeeded his friend Robert Southey as Britain s poet laureate in 1843 and held that post until his own death in 1850
