Bender takes you through the mindset of a beginner standing at the edge of the market—curious, cautious, and determined not to make costly mistakes. Here's a small spoiler: the most powerful investing advantage isn't timing the market; it's understanding behavior systems and discipline. This book shows you how. But what if I'm not ready yet? No experience? This book was written specifically for beginners. Afraid of losing money? You'll learn risk management before you ever invest a dollar. Think it's too late? The AI era
