The South; a Central Theme? Monroe Lee Billington, 1969 **South** Montoe L. Billington, 1982-06 *The South; a Central Theme? Edited by Monroe L. Billington* Monroe Lee Billington (Comp), 1969 **Reading Southern History** Glenn Feldman, 2001-10-09 This collection of essays examines the contributions of some of the most notable interpreters of American southern history and culture The volume includes 18 chapters on such notable historians as John Hope Franklin Anne Firor Scott and W J Cash **Creating Citizenship in the Nineteenth-Century South** William A. Link, David Brown, Brian E. Ward, Martyn Bone, 2018-02-19 This is a remarkable collection of essays Citizenship clearly forms the backbone for these investigations but the range of the contributors backgrounds in terms of disciplinary training and the approaches they take to the question makes this collection both broad and deep As it turns out there is no other way to tackle a concept as central but also as slippery as citizenship A shorter or more focused collection would miss the nuances and insights that this one offers Aaron Sheehan Dean author of *Why Confederates Fought Family and Nation in Civil War Virginia* President Obama's citizenship continues to be questioned by the birthers the Cherokee Nation has revoked tribal rights from descendants of Cherokee slaves and Parliament in the U K is debating citizenship education It is in both this broader context and in the narrower academic one that *Creating Citizenship in the Nineteenth Century South* stands as a smart exciting and most welcome contribution to southern history and southern studies Michele Gillespie author of *Katharine* and R J Reynolds *Partners of Fortune and the Making of the New South* Combining historical and cultural studies perspectives eleven well crafted essays and a provocative epilogue engage the economic political and cultural dynamics of race and belonging from the era of enslavement through emancipation reconstruction and the New South Nancy A Hewitt author of *Southern Discomfort* More than merely legal status citizenship is also a form of belonging shaping individual and group rights duties and identities The pioneering essays in this volume are the first to address the evolution and significance of citizenship in the American South during the long nineteenth century They explore the politics and contested meanings of citizenry from a variety of disciplinary perspectives in a tumultuous period when slavery Civil War Reconstruction and segregation redefined relationships between different groups of southern men and women both black and white **4The Idea of the South**, 1964

Chitina-McCarthy Hwy Reconstruction and Realignment, South Central District, 1973 *Southern Churches in Crisis Revisited* Samuel S. Hill, 2020-12-15 Hill's landmark work in southern religious history returns to print updated and expanded and compellingly relevant In 1966 Samuel S Hill's *Southern Churches in Crisis* argued that southern Protestantism a cornerstone of white southern society and culture was shirking its moral duty by refusing to join in the fight for racial justice Hill predicted that the church was risking its standing in southern society and that it would ultimately decline in influence and power A groundbreaking study at the time Hill's book helped establish southern religious history as a field of scholarly inquiry Three decades later *Southern Churches in Crisis* continues to be widely read quoted and cited In *Southern*

Churches in Crisis Revisited which reprints the 1966 text in full Hill reexamines his earlier predictions in an introductory essay that also describes how the study of religion in the South has become a major field of scholarly inquiry Hill skillfully engages his critics by integrating new perspectives and recent scholarship He suggests new areas for exploration and provides a selected bibliography of key studies in southern religious history published in the three decades subsequent to the original appearance of this groundbreaking work

The South Idus A. Newby,1978 *Southern History Remixed* Michael T. Bertrand,2024-01-30 How popular music reveals deep histories of racial tensions in southern culture Southern History Remixed spotlights the key role of popular music in the shaping of the United States South from the late nineteenth century to the era of rock n roll in the 1940s 50s and 60s While musical activities are often sidelined in historical narratives of the region Michael Bertrand shows that they can reveal much about social history and culture change as he connects the rise of rock n roll to the civil rights movement for racial equality In this book Bertrand traces a long term culture war in which white southerners struggled over the region s cultural complexion with music serving as an engine that both sustained and challenged white supremacy He shows how rock n roll emerged as a working class genre with biracial sources that stoked white racial anxieties and engaged the region s color and culture lines This book discusses the conflict over southern identity that played out in responses to jazz barn dance radio Pentecostal and gospel music Black radio programming and rhythm and blues concluding with a close look at the popularity of Elvis Presley within a racially segregated society Southern History Remixed suggests that both Black and white southerners have used music as a tool to resist or negotiate a rigid regional hierarchy Urging readers and scholars to take the study of popular music seriously Bertrand argues that what occurs in the music world affects and reflects what happens in politics and history A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller *American Lumberman* ,1915 **Agricultural History** ,1928 *The South Atlantic Quarterly* John Spencer Bassett,Edwin Mims,William Henry Glasson,William Preston Few,William Kenneth Boyd,William Hane Wannamaker,1978 **The South** Monroe L. Comp Billington,1969 *Southern Studies* ,2009 An interdisciplinary journal of the South **The Idea of the South. Pursuit of a Central Theme. (Editor: Frank E. Vandiver.) [By Various Authors.]** Frank E. Vandiver,1964 **Proceedings of the ... Annual Convention of the Association of Southern Agricultural Workers** Association of Southern Agricultural Workers. Convention,1927 *Historical Outlook* ,1929 *The Southern Workman* ,1928 The May or June issue of 1900 1939 includes the report of the institute s president for 1900 1939 **Minutes of the Annual Conferences of the Methodist Episcopal Church, South** Methodist Episcopal Church, South,1887
