Sprinting Backwards To God:

Sprinting Backwards to God C. W. Duncan, Duncan Sings-Alone, 2000 *Sprinting Backwards To God* is a story of hope and healing Part autobiography part storytelling anthology it could only have been written by a man who has both the gifts of healing and humor in such equal parts as does *Duncan Sings Alone* If you care about journeys of body and spirit you will love this book *sprinting Backwards To God* is for the person who has experienced an overwhelming spiritual desire who has wanted to live a spiritual life but could never attain the goal This hilarious book is packed with modern Trickster Tales of high ambition and low attainment Seasoned with a few traditional Native American stories it is mostly an autobiographical account of Sings Alone s journey from pulpit to sweatlodge Through the laughter and tears of his spiritual struggle the reader will find inspiration to persevere on the sacred path *Sprinting Backwards to God* Roshi Duncan Shoko

Sings-Alone, 2015-11-13 *Sprinting Backwards to God* tells of a hilarious and poignant journey with Grandfather Duncan Shoko Sings Alone From an early age he yearned to serve God as a minister but the Spirits had a different plan for him They did everything they could to disrupt his dash toward the Christian ministry After relinquishing his dream of the ministry a Native American medicine man called Grandfather back to his roots After seven years of intensive training Grandfather created and led a large intertribal sweat lodge community *Sprinting Backwards to God* is his story and testament that there are many ways to God and sprinting backwards might be one *Sprinting Backwards to God* is the first book about Grandfather s unusual journey The second *Stalking Nirvana The Native American Red Path Zen Way* continues the story The Spirits insisted he teach the dominant culture how to relate to Grandmother Earth in a positive way They opened the door to the Zen Buddhist world which enthusiastically embraced his teachings Ultimately he continued to sprint backwards and became an ordained priest and Roshi within the Zen Garland Order *The Circle of Life* James David Audlin, 2012-02-22 *THE CIRCLE OF LIFE* presents traditional oral Native American sacred teachings from the Iroquois Lakota and other traditions The author has been receiving these teachings from elders since his youth The wisdom embraces cosmology ethics epistemology metaphysics sociology psychology healing dream interpretation and more Audlin calls himself neither a spiritual teacher nor an authority but a conduit through which these oral traditions can be presented meaningfully to people in a modern world He outlines universal principles common to many traditional peoples worldwide The Red Road is available to all regardless of religion or ethnicity willing to follow its paths These paths however are often not easy and require deep personal and spiritual commitment Audlin says in his introduction If this book serves any purpose let it be to help us bring the Sacred Hoop of All the Nations back together again so we and all that lives may stand as one in silent awe before that Great Mystery
