Spud From Outer Space:

The Spud from Outer Space Susan Gates,2004-08-05 This is a potato with attitude It s come from outer space and it s landed in the council rubbish tip It s growing bigger by the minute and it s looking round for things to eat Only Cruncher his grandad and a potato obsessed professor are around to stop it before it wipes out the human race The bad news is that the crash has upset the rules of space and time and Silas Smite the mad preacher has been brought from the past to hunt down all potato lovers The good news is that Grandad has a secret weapon Gloria the super bin van designed to collect space junk It s chaos out there expect anything Assault on Kapustin Yar Stephen W. Killam,2011-04-30 In winter 1944 the Nazis complete a pair of atomic bombs the Manhattan Project is woefully behind schedule and a derelict spacecraft from the future crash lands in Russia Sixty years later the Russians have constructed a top secret military base called Kapustin Yar around the wreckage The Guardians of the Timeline discover that in the aftermath of a major conflict one of their team has been lost in time and meet a mysterious group of people who cause each member to question the paradox of freewill and predestination The newcomers are as passionate about preserving the timeline and finding the missing team member as the Guardians They combine forces and embark on an adventure that takes them from the desert of Iraq to the caves of Easter Island to a life or death race against time on the freeways of Los Angeles and ultimately to an assault on Kapustin Yar There they seek access to the remains of the spaceship that crashed sixty years before so that core members of the team may embark on a mission to ensure that events in 1944 transpire as they should and the timeline is preserved **Assault on Kapustin Yar** is the third book in the Guardians of the Timeline series **The Sky is Falling** Elizabeth Hall,1961 *Engineering* ,1896 *Shades of Magenta* Echo Freer,2012-07-05 Magenta can t hide her disappointment her dream destination turns out to be a holiday camp in the middle of nowhere But she s looking forward to topping up her tan and starring in the talent contest not to mention a bit of holiday romance Soon Magenta s back on form with parachute pandemonium and disaster on the diving board Will gorgeous Daniel be able to stop her getting into deep water Winter at the Door Sarah Graves,2015-01-06 Perfect for fans of Jenny Milchman Linda Castillo and Lisa Gardner the first book in a suspenseful new crime thriller series featuring the tough but haunted police chief Lizzie Snow a big city cop with a mission taking on a small town with a dark side Moving from Boston to remote Bearkill Maine isn t homicide cop Lizzie Snow s idea of a step up But breaking away from tragedy and personal betrayal is at least a step in the right direction Her dead sister s fate still torments her as does her long missing niece s disappearance Lizzie hopes to find the mysteriously vanished child here amid the coming ice and snow But in the Great North Woods something darker and more dangerous than punishing winter is also bound for Bearkill The town is a world apart in more than distance full of people who see everything say little and know more than they ll share with an outsider The only exceptions are the handsome state cop who once badly broke Lizzie s heart and desperately wants another chance and Lizzie s new boss sheriff Cody Chevrier who s counting on her years of homicide

experience to help him solve his most troubling case before it's too late. A rash of freak accidents and suicides has left a string of dead men, all former local cops. Now the same cruel eyes that watched them die are on Lizzie, and so is the pressure to find out what sort of monster has his hooks in this town, what his ruthless game is, and just how brutally he'll play to win. Whatever the truth is, its twisted roots lie in the desolate backwoods of Aroostook County, where the desperate disappear, the corrupt find shelter, and the innocent lose everything. It's there that a cunning and utterly cold-blooded killer plans the fate of the helpless lives at his mercy, one of whom may be the lost child Lizzie. Will he do anything to save her? As a blizzard bears down and Bearkill's dark secrets claw their way to the surface, Lizzie gears up for a showdown that could leave the deep-driven snow stained blood red.
